Dress Rehearsal Week

## Come with us to Dance Camp in Chicago!

All Dance Company students are able to attend dance camp July 13-15. If you are interested in going, please let us know and we can get you pricing information. It is a great time where they take many different styles of classes throughout all the days we will be there. All ages of dancers are able to attend from mini's to our high school students. Payments need to be in to the studio by June 1st, so let us know right away if you are interested. Check it out at

## Sign up for Summer Classes

We have updated our summer schedule with some new classes this year. Summer session will run from June 18th through August 10th. The new schedule is located in the back of this newsletter. See one of the ladies at the front desk if you would like to sign up. Fall schedule is also at the end of this newsletter. Online registration will begin May 1. We will discuss this in more detail at dress rehearsal meetings the week of May 6.

## Recital Costumes are Arriving!

As recital costumes are coming in, we are handing them out to students. Please take them home and **TRY THEM ON RIGHT AWAY**. If there are issues with them, let us know ASAP! The sooner we know, the sooner we can get things fixed. Your student's account needs to be paid up to date for us to be able to hand out the costumes to them.

## Dress Rehearsal Week is May 6-12!

**All important recital information will be given out this week. There is a parent meeting—one parent is required to attend this meeting. Recital tights will be purchased at this time as well.**

## Correct Shoes?

Do you have the correct shoes? Please check with the staff at the front desk to make sure your child has the correct shoes for their class. You need to have shoes ordered before pictures. We have been noticing that many students do not have the correct ones, especially those that changed from Combo classes to the Level classes.

## Picture Time!!!

Pictures are right around the corner. Attached is the schedule. Please take a look so you can plan your day. You need to be there 15 minutes before the scheduled time. The time on the schedule is the time for their picture. We will not hold up the day waiting for someone because you are late.
