**Summer Enrichment is not Summer Camp, and is handled as a separate entity. Reading and math are taught separately and cannot be combined in one session. The cost is \$20 per session and must be paid in advance at the beginning of the summer. For example, if your child is signed up for one session a week (you may do as many sessions as you choose) for ten weeks your total cost for the summer will be \$200. The \$200 will be due to L.E.A.D. Academy on your child's first day of Summer Enrichment. If your child requires multiple sessions a week you may speak to Mr. Lay about possible payment plans.**
