Congratulations to Drew & Kellie Hartzo, who found the 2019 NCMC Ruby Collins Memorial Redbud Treasure! They braved the sprinkling rain & chilly weather and got out to search this evening on a hunch and it paid off! The treasure was hidden on the back of a sign on a pole on Airport Road. Drew and Kellie said after work today, Drew had a hunch as to the location and convinced Kellie to go out searching. Luckily for her, she agreed! Pictured with them are Ashley Ezell, La Redbud President; Staci Fargerson, La Redbud 2nd Vice President; and Kelly Rice, La Redbud Treasurer.

Again, congratulations!!
