Weekly Bulletin

Week of: March 16—March 22, 2016

This weekly bulletin is put into place by our President Tom Teach, just to summarize the meeting highlights, announce upcoming dates, and important reminders for the coming week/events.

Today's Guest Speaker: Sierra Repertory Theatre, Sara Jones, and Seamstress Gerda

They spoke about the upcoming performances for 2016. Great actors, superb stage sets and designs, wonderful costumes, and lots of behind-the-scenes activities, including the non-noticed-by-the-audience goof ups. Thank you to them, they are always most enjoyable.

Visitors and Guests: Sara Jones, and Gerda SRT

21 Members attending

½ drawing Winner Jerry Nielsen
