Mt. Biking

RES, WCS, and HCS Fridays 9/6 and 9/13 (intro) and Fridays 9/20 and 9/27 ("Extreme") 3:00 - 6:00

Krissy Stecklar and Marcus (aka Mario) Wadlington will be ripping through the mountains with your kids on extreme (and not so extreme) adventures. The first two sessions of the month will be designed around getting kids new to mountain biking comfortable riding in the woods, over rocks and roots, and over some easier bridges. All kids will need to be comfortable on a bike to participate in this session.

The second two sessions of the month we will bump up the intensity a bit. These sessions are designed for kids that have experience mountain biking and really like to rip it. They will be exposed to more technical/challenging riding... which really just means more fun on the way down!

Cost per day- \$40 for non-Part 2 student / \$30 for Part 2 student: Includes bikes/helmets
Minimum Number of Students Needed: 9 Maximum Number of Students: 14

Get Air!

HCS, WCS, CCS & CCS Mondays 9/16 and 9/23 2:00 - 5:00

Are your kids just looking to have a great time bouncing around for a couple of hours? If so, this is the option for them! They can also witness an old man (Jeff O'Hara) try to unsuccessfully do flips non-stop for the entire two hours. For some reason, kids find this highly enjoyable to watch him consistently fail.

Cost per day- \$40 for non-Part 2 student / \$30 for Part 2 student: Includes admission

Minimum Number of Students Needed: 9
Maximum Number of Students: 18
