

2017 Membership Drive

Beginning August 1, 2016 the Sault Golf Club will start a membership drive for the 2017 season. Beginning this day new members can pay \$500 plus HST towards a membership for the 2017 season and play the remainder of the 2016 season and the \$500 plus HST paid in 2016 comes off your membership dues for 2017. If the snow stays away until Boxing Day like it did last year, that's five additional months of golf. You will have full membership privileges for the rest of the 2016 season, which includes the ability to play in the Club Championship.

Come into the pro shop and take advantage of this amazing deal!!
