

# Do you work with seniors?

## Attend a free CarFit Event Coordinator Training

### What is CarFit?

- ✓ CarFit is based on a 12-point checklist.
- ✓ Gives older adults tools to help them stay on the road safely.
- ✓ Addresses the changes in a mature drivers vision, flexibility, strength, and mobility related to driving.
- ✓ Provides One-on-One help with a trained CarFit Technician.
- ✓ Provides safety information and resources for mature drivers.

### What is an Event Coordinator?

- ✓ Trained professionals will teach YOU how to lead an older driver through the CarFit 12-point checklist. You will learn to recommend adjustments to make their vehicle "fit" better and enhance their safety. As a CarFit Event Coordinator, you will be able to host CarFit events in your community as well as train CarFit technicians.

### Who should attend?

- Law Enforcement
- Health Care Professionals and Educators
- Occupational Therapists
- Driver Rehabilitation Specialists
- Driving Instructors
- Traffic Safety Professionals
- Able-bodied seniors
- Those that provide services to seniors
