

HISTORY

During the winter of 2009 a group of Washburn residents organized and incorporated the Washburn Heritage Association as a 501(c)(3) non-profit organization. Our initial concern was to save the Washburn Civic Center from demolition. This project attracted a buyer with an appreciation for and experience in historic preservation, and successful rehabilitation of the building is underway.

Now we turn our energies to promoting thoughtful preservation and reuse of other critical areas of our legacy from Washburn's history.
