

Personalized Bricks

GP North

The GPN Brick Paver program began in 1998. These engraved bricks are displayed within the walkway at the front entrance of the Science Wing. **Personalized bricks are a permanent way to honor your family, the achievements of your North student(s), or the memory of a loved one.** There are two brick sizes: 4"x 8" (\$100) and 8"x 8" (\$150). *Price includes engraving and installation.* In addition to lettering, a selection of clip art is available to engrave on the bricks. **Each clip art symbol occupies 2-3 character spaces.** The price per clip art symbol is an additional \$3.00. *Please see reverse side for clip art selection and special instructions.*

It is possible that a clip art symbol can be configured to occupy only one character space on the brick (one grid square).

Note: The following symbols **always** require 2-3 spaces: *Basketball, High Jump, Volleyball, and Wrestling.*

In certain situations, the engraver must use his judgment for optimal clip art placement. These situations usually involve bricks that list several children's names, with clip art for each name. For that reason, it is a good idea to assign 2-3 *character spaces* for each clip art symbol.
