Meeting Minutes

Next Virtual meeting is September 21st, 2020

Finance

* *LaTrease Stevenson*, Current balance \$15,829.64 Does not include funds collected for Senior shout outs and new memberships.

Field Report

- *Coach Rhett*,

Thanks to several parents for repairing the tractor without maintenance cost. As well as cutting and weeding the field. Stadium looks good. We are game ready. Will need help Thursday to set up for Red/Black game.

Freshman, If you ordered Black practice pants within the last 2 weeks, they're probably not in. Can purchase directly from Coach Summerford for the same price as store, \$33. 10th-12th grade do not have to purchase pants as the program provides them. Saturday will be the first time dressed in pants. Rest of this weeks practice will be Tuesday Helmets. Wed-Fri will be shells. That means shoulder pads and helmets. Saturdays game schedule will be set up with 1 on 1's Varsity first. Will work our way back, ones on twos and then twos on JV for 3rd quarter. 1st two quarters will likely not play full quarter. 3rd quarter will play full quarter. 4th quarter will be Freshman versus JV. Going to split into 2 teams to give equal playing time for all.

PLEASE join the Booster Club. We need help trying to recover from loss due to COVID as well as supporting your sons team.

Moral and Volunteer forms can be turned in to Coach or front office. Will also be available on hand.

- *Kathy Worley*
- Need assistance with painting of the field on Thursdays. As of now it's all Senior parents so going forward will need others to assist. Also need help on Thursdays during practice to hang banners. If anyone is available please come out to help.
- Currently in need of a new Fundraising VP. Additionally, all positions will be open for next year. If interested in any position please contact Kathy Worley.
- Red/Black game time has changed to 3:30pm. Boys will be fed at noon. Freshman will need to arrive at 11:45 to eat and take pics. If in need of the Payment envelope for pictures, its online at wfjagsfootball.com. These are for purchase and program photos. Taken by Photographer, Cindy Carraway.
- Signups went out. Please go onto link and choose your spot. We need help with 3 items. (1) Parking- typically Freshman and JV parents help

with this as this is on Fridays. Takes place during 1st 1/2 of game. There are only 3 home games where help will be needed in this area. This is a big fundraiser for us. (2) Chain Gang- Typically 4 Dads. (3) Spirit Shack- Not sure if will be open entire game or only before game and during 1/2 time. Will know for sure late this week. ALL volunteers enter Home games free. This year will be the 1st time ALL district employees will have to pay to enter.

- Season passes we thought was going to go forward but was not approved. Those that have already purchased will be refunded. Will know this week the link to purchase tickets for all games online. Our Stadium capacity will max at 30% our biggest games have only filled approx 40% so we should be fine. Once we have link to purchase we will have 1st access.
- Parking passes. Will have card. We heard you last year. If you've purchased a membership you will have special parking. You will HAVE to arrive no later than 6:40 on the back side street to enter and drive around to the Basketball courts to park. If you arrive later than that you will still have free parking but can't guarantee special accommodations.
- We've lost a lot of fundraising due to COVID. **In need of** Gatorade and Water. If everyone could donate and bring to the Red/Black game. Per Coach during game timeouts will use small water bottles. Will need a lot of those. Gatorades are used during 1/2 time. Applies to all teams. Tax receipts can be given if needed.
- Senior night is on the 18th. First gam of season. Parents will need to be present to line up at 4:45 for a 5:00 start time. We will be first to go out on field. Players fill out sheet for announcement. Please make sure your son knows who's going to be there to escort them on the field and have written on sheet.
- Shoutouts this year are not only for Seniors but for all. If you've paid your \$30 QBC Membership dues the shoutout cost would be \$40 otherwise it's \$75. Date has been extended to this Wednesday by 5pm. They will have to be sent out to have back in time to display on the field. This year a group banner for Seniors will be displayed and will be provided at the banquet.
- Senior Mom, Dana Boddy has set up an Amazon account for goody bags treats for Seniors after games. Please make a donation.
- Player Dues that goes to the Football program are due no later than Saturday. If you're having trouble financially please reach out to Coach Summerford.
- Boston Butt sale is being considered for first game. Will need assistance as well as link on site under Boston Butt sale to make purchase.
- *Dana Boddy*- If you haven't given your Senior contact info please do so.
