

## SUNDAY MORNING MEDITATION

The Bible is a very supernatural book. If we took every supernatural reference out of the Bible, it would be a rather small book. Restoration churches have boasted of being New Testament churches, but they've left out of their model the most prominent feature of the New Testament Church—that it was a supernatural work of God in every aspect. I believe God still means for Jesus to be glorified in His Church by continuing His mighty works in our midst (John 14:12). *"Now to Him who is able to do far more abundantly beyond all that we ask or think according to the power that works in us, to Him be glory in the Church and in Christ Jesus to all generations forever and ever. Amen"* (Eph. 3:20-21). How I wish we were a real New Testament Church with Christ glorified among us by continuing supernatural works! All for Jesus, Richard
