

Trinity County Harvest Festival 2024

Cannabis Judges

We are looking for up to 7 judges for each Division. Judges may choose to judge 1 or both Divisions.

Please contact Shelby at the Trinity County Fair at bus_assistant@trinitycountyfair.com or 530-628-5223 to apply.

This is officially a California State Fair Association Contest, so we must follow the rules.

Division 1001 Dry Flower will be judged beginning at 12pm on Wednesday the 11th. Division 1002 Solventless Concentrate will be judged beginning at 12PM on Thursday the 12th.

Snacks and refreshments will be provided. Please bring your own rolling paper and/or your own dab rig kit. etc. and be prepared to roll your own. Judging Sheets will be provided, and you are encouraged to take notes as you go.

Thank you for your interest in this event. It is worth noting that we are the first and only county fairgrounds to host a Cannabis Exhibit and Competition. This is a time to be proud of what we've accomplished as a community and to come together and really show up. I would like to encourage any who are interested to also enter the other exhibit divisions. If you are interested, you can find the information in the Exhibitor's Handbook which can be found in

the Trinity County Fair office or online at Trinitycountyfair.com. Don't forget to come visit the Harvest Festival event itself. It is amazing to see cannabis displayed alongside of all the other agricultural products!
