

## The Sermoonjoy Scholarship Application for HSPVA

Hello Class of 2020:

What a 2<sup>nd</sup> semester you are having! Everything must feel completely up in the air. Although auditions for the Sermoonjoy Scholarship is technically a month away, we must prepare as if we will not be able to meet on campus. I don't want to miss the opportunity to speak with you all and give feedback like I have done for the other 10 years, so we're going to change the format a bit this year.

You will be given a platform on which to upload your application and a video of your audition for the committee by Wednesday May 6, 2020. The committee will take a look and submit feedback to you, and you will have the opportunity to give it another shot and resubmit by Friday May 8, 2020.

As in previous years, you will present 2 contrasting pieces for our consideration. You **must** present 1 monologue **and** then either a 2nd monologue, song or design presentation.

Monologues, songs and design presentations should be performed in no more than 3 minutes each. And, considering that these will be self-taped, music accompaniment is not required for song presentations. The recipients will be awarded according to preparedness of presentation and material, not having been awarded other scholarships from HSPVA, and expression of a financial need. Recipients will be announced as part of the Senior Awards Ceremony (however we end up being able to present it this year). And they will receive an email from the California Community Foundation which houses the Sermoonjoy Scholarship, to be given directions as to how to create a log-in and accept your award in June 2020. Bring me your best effort, please remember above all else to have fun, and I look forward to seeing what you've got!!

My best to you,
