

ASMG Italia - Supporting vehicle purchase and management focusing on the Italian marketplace

Customers, Colleagues and Friends

Wishing you Seasons Greetings. Even though for some this period of the year may not be truly designated a festive season in the region you live and upon the world that we share, I would still like to wish you all success in your endeavours and for a prosperous 2019.

ASMG Italia Consultancy - All the vital assistance for individuals, companies or dealers that require independent services for vehicle related matters to purchase with confidence from Italy.

Pre-Purchase Inspection service with detailed report and quality photographs.

Bringing classic vehicles instructed for sale to your attention such as this stunning & iconic restored De Tomaso Pantera.

It's Project Time. ASMG Italia invites further projects for the winter season to get you motoring for summer 2019. Modern facilities, skilled technicians and artisans at lower Italian labour rates. Time to get that car finished that you promised yourself or ASMG Italia can source the project vehicle for you.

Happy Customer.

"Thank you for your services. You gave me professional help and a good feeling for the cars you have inspected for me. Your inspection reports of the Ferrari's where very useful to make a decision for the right car. I would use your service again and would also recommend it to others." - Ferrari 208 GTS Turbo

Spotted. Still dreaming back to those warmer days - Venetian Spider.

Motorsport

ASMG Italia yet again had the privilege to support the Classic Car Rally scene for the Endurance Rally Association [ERA] and the Historic Endurance Rally Organisation [HERO] with a competitor Meet & Greet at the British Motor Museum in the UK. In 6 months we set off from Beijing, China for 5 weeks of overland adventure to arrive in Paris, France to a fanfare welcome.

Outstanding car park presence during the weekend.
