If you have any dance or color guard experience, tell us how long and where:

\*Please read carefully before signing and submitting. It is very important that students making this commitment follow through on their membership because of the extensive planning and preparation involved. Joining and subsequently quitting results in wasted time and effort for the faculty as well as other students! *Please contact Ms. Delesky with any questions: [delesky@nvnet.org](mailto:delesky@nvnet.org) or (201)768-3200 x13890.*

I give permission for my child to participate in the Norsemen Marching Band. He/She will attend all applicable scheduled rehearsals in August before school begins and all scheduled rehearsals/performances after school begins in September as well as the parades on Memorial Day. **I understand that attendance at all rehearsals and performances is mandatory and required in order to maintain a membership in good standing and earn Varsity Credit for the season.**
