Welcome to our church!

We are glad you have joined us for a time of worship, praise, fellowship & study of God's word. As our guest, please fill out an attendance card & drop it in the offering plate. If you have a prayer need, please fill out a prayer card & drop it in the offering plate. We would love the opportunity to pray for you! After worship, please join us in the fellowship foyer for light refreshments, followed by Bible classes for all ages.

Please pray for our Honduras mission team this week! They left Sat., April 14th, and will return on Sunday, April 22. Pray that God will guide their steps, that many will be reached and touched by their ministry, and that they will have safe travels.

2018 Groups are meeting around the area, look in the hallway for a list of host locations and meeting info. Get connected to a CORE!

Sunday Meditation

At the first bloom of conversion, when our love for the Lord was hot, our zeal high, and the joy of salvation fresh and full, our consciences were intolerant of the least transgression. We were very sensitive to sin and scrupulous of even minor lapses. We walked in godly fear, and the least thought of offending God was hateful to us. But with the passing of time and the influence of the world and worldly believers, our consciences grew less tender and our love and gratitude became tepid. We began to tolerate in ourselves minor sins; acceptable transgressions which would at first have been intolerable. Thoughts and attitudes that would once have startled us bother us no more. We excuse and accept in ourselves what we now call "little sins," happy that at least that we haven't fallen into open, "serious sin." And with these declines came joylessness of spirit.
All for Jesus, Richard
