“But God made the earth by his power; he founded the world by his wisdom and stretched out the heavens by his understanding.” Jeremiah 10:12

Modern Educational Tool

Now let's take a look at one of today's "plundered good" educational tools, Bloom's Taxonomy, and see how it fits into the picture. It is actually a natural fit for the classical trivium. Comprised of six complex levels, this model also serves as a tool to improve the thinking of students by ranging from its fundamental base of knowledge escalating to its highest tier of creativity. After all, in His omnipotence, God simply spoke and performed an amazing feat. He created something out of nothing, ex nihilo. Who in this world can make that claim?
