Adapting and Thriving in the Era of COVID-19

1115

Our webinar is geared for military Veterans, their family members and providers. In three sessions, we will explore the concepts of stress and stress management in the time of COVID-19 and identify available community resources, and offer strategies to enhance well-being.

Topic: MVSOA Training

Time: Feb 10, 2021 11:30 Eastern Time (US and Canada)
