THINGS TO REMEMBER

- *When mucking your stall between the weekly cleaning, please only put in as much clean sawdust that you take out dirty
- * When putting hay up in the loft, please clean up any stray hay that has fallen on the ground. Do your part and help keep the barn looking nice.
- *The manure pile has been moved further away from the back doors. When mucking your stalls, please take the extra steps required to dump the manure in the appropriate location.
