HERITAGE – Prayer

Dear 1GOD, Creator of the most beautiful Universe

Your most humble faithful custodian-guardian (1st name)
Is thankful for having a Heritage
A Heritage that shows where we come from
A Heritage that tells who we are
A Heritage that can be passed on to the next generation
For the Glory of **1GOD** & the Good of Humankind

This prayer is recited at home or at a Gathering !

Week 1 CREATION

Day 1

In the beginning there was **1GOD** & nothing:
colorless, lifeless, motionless, soulless, soundless,
& timeless, without a cycle of beginning & end.

Physically within **1GOD** are all the building blocks that
exist to make up the Universe both positive & negative.
Spiritually the Original Soul is **1GOD** both good & bad.

1GOD was bored. **1GOD** exhaled, a mist was created
This mist contained all the basic ingredients found
in the universe, spreading into all directions into

the nothing. The physical Universe was born. The motion
created a whooshing noise; '**Motion**' & '**Sound**' were born.

1GOD called this (Work) **Day 1** & **Time** was born.

Day 2

1GOD clapped his hands; it sounded like a bang. This crea-
ted heat & the fusion of gases within the mist,
positive & negative clashed, sparks (Lightning)
followed by explosions (Thunder) resulted. As

the gases mixed, absorbed & destroyed, the 'Cycle of Begin-
ning & End & Recycling' (CB&E&R) was born. This spectacle
was also the birth of '**Color**'.

The newly created mixtures were slightly imperfect, unequal, different, just the way **1GOD** liked it. Imperfection started '**Evolution**'. Evolution being imperfect made mistakes but also resulted in uniqueness & inter-action. Nothing is perfect or without mistakes. One person's perfect is another person's imperfect. Evolution is **1GOD's** favorite creation.

1GOD called this (Work) **Day 2**

Day 3

1GOD played with the mixtures, analyzed them & liquefied some of the gases creating hot & cold concoctions this also created some cases of solidification. **1GOD** formed balls pulsating, bright, fiery '**Sun-Stars**' that spewed out liquid into the Universe creating '**Planets**'. This creation is known as a '**Solar-system**'. The Physical Universe contains many Solar-systems which live the '**Cycle of Beginning & End & Recycling**'.

1GOD called this (Work) **Day 3**

Day 4

1GOD then gave each combination of building blocks part of his/her spiritual being, part of the 'Original Soul'. Each 'Soul' receives its part at conception of the new creation of the combination of building blocks.

When a combination of building blocks ceases to exist the Soul returns to **1GOD** to report on experiences it had (Afterlife). Then **1GOD** send's the Soul into another combination of building blocks (Reincarnation). When a Soul has reached a certain level of experiences it stays with **1GOD** (becoming 'Eternal') in Heaven as a Custodian (Angel).

1GOD called this (Work) **Day 4**

Day 5

1GOD toyed with Evolution creating special conditions on some of the Planets. These planets who had been pointed into a certain direction, created interdependent surroundings & life-forms. **Earth is such a Planet!**

Earth is the 3rd planet from the Sun in the Destiny Solar-system. The Earth orbits the Sun & 1 Moon orbits Earth.

The Planet is home to millions of species including humans. The interdependent surroundings (Environment) & life-forms (plants & living creatures) make this '**our Home**'.

Planet **Earth** our Home

1GOD called this (Work) **Day 5**

Day 6

1GOD had the Angels to help in the spiritual Universe. Now life-forms where needed to help in the physical Universe. **1GOD** found that Planet Earth had advanced enough to introduce Humankind.

1GOD created 3 races & **Evolution** cheekily evolved 1. **1GOD** is happy with 3+1 Races & sees them as equals but different. **1GOD** wants Racial-Integrity, mixed-breeds are an insult & do not fit into humankinds Destiny. Racial-Integrity is not racism nor bigotry it does not mean that 1 Race is superior to another Race. Disobeying Racial-Integrity creates half-breed outcasts unacceptable to anyone insulting to **1GOD's** design.

Humans, black skinned; wiry black hair & brown eyed more intelligent than any other creature on the planet. **1GOD** say's to them be proud to be Black because I made you so. Call yourself 'African' wherever you may live. Should you live outside Africa add the name

of the Tribe you stay with (You live with the American Tribe) 'African-American'. Being proud entails mating & multiplying within your Race: Racial-Integrity.

As the black people multiplied they started to wander. They could be found in Africa, Persindia, Oceania & Mongolia. Later they were introduced by European-Pirates to Amazonia & America as Slaves & Europa as servants.

However the colder climate was not beneficial to the black people. Also evolution was very slow. **1GOD** decided to create 2 new races.

In Mongolia **1GOD** altered human skin color giving it a pale yellow tinge, the hair stayed black but became straight & the brown eyes became slanted. **1GOD** say's to them be proud to be Slant-eyed because I made you so. Call yourself 'Mongolian' wherever you may live.

Should you live outside Mongolia add the name of the Tribe you stay with . (You live with the European Tribe) 'Mongolian-European'. Being proud entails mating & multiplying within your Race: Racial-Integrity. The slanted eye humans multiplied & wandered into America, Amazonia, Oceania, Persindia & Europa.

In Europa **1GOD** created pale & ruddy skinned humans with either blue, blue-grey, green eyes with platinum blonde or red straight or wavy hair. **1GOD** say's to them be proud to be Pale because I made you so. Call yourself 'European' wherever you may live. Should you live

outside Europa add the name of the Tribe you stay with (You live with the Amazonian Tribe) 'European-Amazonian'. Being proud entails mating & multiplying within your Race: Racial-Integrity. These people preferred to travel by water (inland & seas) to other Provinces.

However 2-evolution hiccup's occurred. Europeans pale skin became honey colored skin, dark brown straight hair & brown eyes. These people wandered into west Persindia, northern Africa & southern Europa & are now present in all Provinces.

In Europa another lot of humans evolved back to black skin but had black straight hair & dark eyes. Evolved **1GOD** say's to them be proud to be Black because Evolution made you so. Call yourself 'Evolved' wherever you may live. Should you live outside Persindia add the

name of the Tribe you stay with. (You live with the Oceanian Tribe) 'Evolved-Oceanian'. Being proud entails mating & multiplying within your Race: Racial-Integrity. These people wandered into Persindia & are now present in all Provinces.

Note! Humankind like everything else in the Universe are imperfect, different, unique just the way **1GOD** likes it. **1GOD** gave each race(3+1)unique traits. Mixed breeds

destroy **1GOD's** design.

1GOD wanted 3 racial contrasts: Black, Pale & Slant eyed. But **1GOD** accepted the Evolution blacks as 4th race. **1GOD** also wants Racial-Integrity kept. It means no interracial mating or multiplying. **1GOD** sees the 3+1 Races as equals but different.

The 3+1 Races make up the **7TRIBES** that live in many **Shires** (Home). Speaking 7 Languages & many Dialects . Independently administered by **7Provinces**. **1GOD** likes language diversity. Not a global language (remember Babel tower & NY twin towers).

3 + 1 Races Equal but Different

1GOD was pleased with what had been achieved in the past 5 days & today. **1GOD** reflected on the past work-week & than started planning for the next work-week.

1GOD called this (Work) **Day 6**

Day 7

1GOD had a rest... Meditating & praying seeking inner harmony & happiness for the Eternal-Soul. Angels made music, sang, danced & laughter was heard everywhere. **1GOD** was in the middle of all this merriment enjoying all of it.

1GOD called this (Rest) **Day 7 Fun-Day** for Custodian-Guardian.

The 7 Day Creation forms the basis of the Custodian-Guardian Kalender. **Note!** The length of **1GOD's** Day is different from Earth's. The C-G Kalender has many themes for '**Fun-Day**': Celebrations, Memorials & Shames.

The C-G Kalender is part of New-Age time-management:

Ancient – Times I 1st Civilizations ! to -2,100* years

*New-Age new time-management is used: Custodian-Guardian Kalender

Humankind learned to walk upright, gather berries, nuts & grubb up roots. Humans grouped to increase survival resulting in the need for leadership. The strongest **He** became Tyrant & main breeder.

Humankind advanced to hunter, became tool-maker, using tools to hunt. Sadly tools were not only used for hunting but also for **killing** other humans (selfish plundering of other humans who resisted & were raped & killed).

Humankind discovered that hunting in groups (teamwork) brought greater success than any single hunter. This led to planning & organizing hunting trips & raids on other groups.

Humankind developed vocal noises, facial gestures & body language to communicate. Leading to speech & language. These skills led to learning & teaching. Experienced members of the group passed on gained knowledge to the learning group members. Subjects covered: collecting food, hunting, skinning, sewing, tool-making, tool usage, gestures, grunts & speech.

As Humankind moved into colder climate they hunt-ed furred animals, skinned them & covered their body (start of Fashion). Bones were turned into tools. Sewing was developed & used on skins & furs. Caves & huts became shelter. Fire making developed leading to cooking. Artistic skills like painting, carving & clay modeling appeared.

Humankind developed religious beliefs.

Evil Pagan-rituals developed bribing God's through bloody sacrifices. **Note: 1GOD** doesn't want Sacrifices (bloody or otherwise). Custodian Guardians oppose all Sacrifices. **1GOD** cannot be bribed or bought.

Other humans became aware that seeds from grass dropped onto soil & trampled led to crops. This was a 1st step of farming. Farming meant people did not have to wander. Permanent shelter became possible. Some Humans became settlers.

Humans started to specialize leading to barter (meat, skins, tools, burnt clay..). Hunters would barter with settlers. Nomads passing settlements would barter.

Nomads with Evil (Tyrant) leaders would plunder & destroy settlements rape & kill settlers. The building, destruction & rebuilding cycle was established.

Both the spear & bow & arrow increased hunting capabilities as well as slaughter of humans. Settlers used the new hunting tools as weapons to defend themselves.

Hunters became aware of the benefits of controlling herds & following them. Hunting became secondary. A nomadic life-style developed. The 1st step of domestication of animals.

Settlers started to domesticate smaller animals. Settlers developed closer relationships with animals. Pets developed, by animals accepting humans as their master & a human need for companionship. Domestication of animals improved the supply of food, skins & bones for tools & weapons & barter.

Civilization needed better communication than vocal hearsay. Drawing advanced to writing skills. When numbers were added human development started to accelerate.

The wheel made humans more mobile. They could travel faster & longer distances carrying more goods. What the wheel did on land the sail achieved on water. Raiders (Nomad & Settler) used both for their criminal activities.

Leaders of Nomad Raiders had 1st choice of plundering making them more wealthy than other Raiders. Farming communities also picked usually the most successful farmer or barterer as Leader. Both type of Leaders developed Estate planning. A desire to pass on power & wealth to their children. Hereditary

Tyrannies* became common. Leaders gave themselves fanciful (royal) titles, 'Monarchs'*. Some power-crazed leaders claimed to be a God.

*Custodian Guardians oppose Hereditary Tyrannies & Monarchs as Evil.

Settler Monarch's build fortifications & established full-time armed men (Guards...) Religious leaders build places of worship (Temple...). Graveyards & Shrines (elitist, pompous..) for the transition to the Afterlife became common.

Trade routes evolved. Greedy Evil Monarchs followed these with their armies & established Tyrannical Empires (Civilizations). These Civilizations were ruled by violence & ended violent.

Everything has a beginning & end so do Civilizations. At the beginning there is struggle & strong religious Belief. Success replaces struggle. **Peace:** increases wealth, population, reduces work-ethic, increases leisure-time & boredom. Boredom leads to immorality. This decay increases addiction. It replaces Religion with irresponsibility (just having fun), silly freedoms, outrages philosophies.

When the struggle stops stagnation sets in leading to decay & the end.

Humankind developed 1GOD beliefs:

Ancient-Times gave us 3 'True' messenger (Akhenaten, Confucius, Invoker). 2 'False' messenger (Moses & Buddha) & an Evil, Anti-GOD cult: 'Bad-Seed' (Israelites), which is operating now.

Akhenaten (Amanhotep IV) African-Reformer

Akhenaten promoted **1GOD** both masculine (HE) & feminine (SHE) simultaneously. That all creation came from **1GOD** & was within the Creator! That no image of **1GOD** exists! That sunlight was the main reason for there being life on Earth!

Akhenaten promoted family & family-sharing as path to lasting 'Happiness'. Promoted Harmony between Humankind & Habitat!

Promoted diplomacy over war for solving border disputes. Sped up construction by using smaller building blocks.

Akhenaten arrogantly claimed to be the 'only Son'* of **1GOD** (false). HE failed to end 'Paganism' its rituals & recycle their places of worship & symbols. Pageants' tried to erase his existence.

*Jesus (false messiah) used the same arrogant words (plagiarized).

Invoker (Zoroaster) of a Good Mind & Actions

In Ancient-time in Persindia **1GOD** found a man suitable to become a messenger. Invoker of a Good Mind & Good Actions (Zoroaster). Like Akhenaten he saw the importance of the Sun for life on Earth!

The 'Invoker' was very wrong, promising a Super-human (messiah*) would come. This Super-human would make humankind happy &

solve all problems Many cults picked up this wrong message & promised a messiah.

* **Note!** No Super-human (messiah) is coming to make humankind happy & solve all problems. **1GOD** wants humankind to proof that they have developed sufficiently. To handle happiness & problem solving. **1GOD** will help humankind in situations that are beyond it's capabilities.

The '**Invoker**' has established some fundamental truths:

1GOD is the creator of the physical & the spiritual universes.

1GOD is to be worshiped as Supreme.

Worshiping can be done both at home & in the community.

Everyone should work actively towards improving their community.

Oppose pollution of water, land & atmosphere.

Oppose corruption & injustice.

Support religious morality & social justice.

Note! When Persians embraced the teachings of the Invoker they flourished establishing the greatest Empire of their time. After discarding the Invoker teachings. Persia lost their prosperity/influence.

Due to evolutionary change other messages from that time are not relevant anymore. For supporters of the 'Invoker'(Zoroastrians, Parsi) it is time to change to **1GOD's** latest message:

The '**Law-Giver Manifest**'.

Custodian-Guardians' offer the olive branch of non-violence, harmony & friendship to the followers of the 'Invoker of a Good Mind & Good Actions' to join

1GOD 1Faith 1Church Universe Custodian Guardians in spreading **1GOD's** latest message the '**Law-Giver Manifest**'!

Confucius

In Ancient-time Mongolia (Province)
1GOD found a man suitable to become mentor to Humankind:

Confucius !

Confucian words of Wisdom !

Do not do to others what you do not want done to yourself !

Before you embark on a journey of revenge, dig 2 graves !

Everything has its beauty but not everyone sees it !

Hold faithfulness & sincerity as 1st principles !

When anger rises, think of the consequences !

The firm, the enduring, the simple & modest are near to virtue !

To see what is right & not to do it, is want of courage or of principle !

I hear & I forget. I see & I remember. I do I understand.

Life is really simple, but if we insist on making it complicated !

Real knowledge is to know the extent of one's ignorance.

Faced with what is right, to leave it undone shows a lack of courage.

It does not matter how slowly you go as long as you do not stop.

Virtue is not left to stand alone. HE who practices it will have neighbors.

HE who speaks without modesty will find it difficult to make words good !

Our greatest glory is not in never falling, but in getting up every time we do !

The people may be made to follow a path of action, but they may not be made to understand it !

The scholar who cherishes the love of comfort is not fit to be deemed a scholar

The more man meditates upon good thoughts, the better will be his world & the world at large.

In a country well governed, poverty is something to be ashamed of.
In a country badly governed, wealth is something to be ashamed of.

Wisdom, compassion & courage are the 3 universally recognized moral qualities of men.

For supporters of 'Confucius' it is time to change to **1GOD's** latest message: The '**Law-Giver Manifest**'.

Custodian-Guardians' offer the olive branch of non-violence, harmony & friendship to the followers of Confucius to join:

1GOD 1Faith 1Church Universe Custodian Guardians in spreading **1GOD's** latest message the '**Law-Giver Manifest**'!

Hinduism

In Ancient-time on the Indian-Peninsula (east of the Indus-River system & south of the Himalayan Mountain Range) a people developed traditional religious philosophies. They were invaded. To distinguish themselves from the invader. The locals called themselves Hindu! English invader, occupier, oppressor & exploiters called the local religious writings: **Hinduism** !

There were different people writing numerous holy books. Creating a family of religious philosophies rather than a single religion. This collection embodies, 'Hinduism' !

Hindus believe in a cycle of birth, death & rebirth governed by Karma. A soul passes through successive lives. Its next incarnation is always dependent on how the previous life was lived.

Hindu text (e.g. Vedas) brings 'Knowledge'. Many scriptures discuss 'Code of conduct', 'Law' & 'Duty'. 'Hinduism' is a way of life.

Many Hindus crave for a Supreme Being (**1GOD**). Hindu scriptures are dated. It is time for Hindu's to embrace **1GOD's** latest message: **The Law-Giver Manifest** !

Custodian-Guardians' offer the olive branch of non-violence, harmony & friendship to the followers of Hinduism to join:

1GOD 1Faith 1Church Universe Custodian Guardians in spreading **1GOD's** latest message the '**Law-Giver Manifest**'!

Note! This offer also applies to followers of Jainism & Sikhism.

Jainism an ancient religion from India teaches that the way to liberation & bliss. Is to live a life of harmlessness & renunciation. The aim of **Jain** life is to achieve liberation of the soul.

Sikhs

think religion should be practised. By living in the world & coping with life's everyday problems.

Buddha (Siddhartha Gautama)

Buddhism is not a Religion. It is a collection of nonsensical hallucinations & some visions based on hearsay. It has no spiritual connection with **1GOD** !

Buddhism, based on sayings of Siddhartha Gautama. HE came from a well off family. Who lived in the Himalayas. Siddhartha lived a sheltered & spoiled life. Siddhartha left his sheltered life. HE was seeking enlightenment by finding **1GOD** ! Siddhartha never found **1GOD**.

Siddhartha tried fasting. His dying brain gave him hallucinations. HE tried herbal concoctions, fungi. His brain gave him hallucinations. Meditation was next. His brain gave him some visions. Siddhartha did not find **1GOD**.

Siddhartha held public meetings, talking about his life experiences & what HE learned. His speeches were retold by admirers for a long time before being written down. Being hearsay Siddhartha's (now called Buddha) original words & meaning are lost.

Because his insights are based on a tortured brain & he never found **1GOD**. Buddhism is not a Religion & useless for achieving Humankind's Destiny. **Buddhists' should seek religion!**

Custodian-Guardians' offer the olive branch of non-violence, harmony & friendship to the followers of 'Buddha' to join:

1GOD 1Faith 1Church Universe Custodian Guardians in spreading **1GOD's** latest message the '**Law-Giver Manifest**'!

Bad Seed Cult (Israeli)

This Cult claims to be 4000 years old. They call themselves Israeli. Their religious writings are historic fantasy based on hearsay, fables, & fairy-tales.

They inbreed their wickedness. **1GOD** is angered with their violent behaviour & their parasitic greed. They claim to have been promised land.

They got their promised land. Now **1GOD** wants the Israeli to live there & nowhere else. Every human has a moral & civil duty to help them to leave or be transported to Israel.

Don't anger **1GOD** send Israeli without delay to the '**Promised Land**'. **1GOD** is watching.

Custodian-Guardians' offer the olive branch of non-violence, harmony & friendship to the followers of the 'Bad Seed Cult (Israeli)'. to join:

1GOD 1Faith 1Church Universe Custodian Guardians in spreading **1GOD's** latest message the '**Law-Giver Manifest**'!

NOTE! Israeli clergy (Rabbi) are not welcome.

Distant – Past -2,100 to -1,400 years

This was China's Golden-Age. They invented a standard paper making process. Converted iron-ore to pig iron, cast iron, wrought iron & steel. The improved smelting techniques in bronze & iron led to an advanced range of agricultural tools, carpenter tools, culinary tools, domestic tools & weapons. The waterwheel was used. The Silk Road was established. This trade route from China to Europe was a great source of wealth.

The Distant-Past sees the fusion of Greek & Roman culture. The beginning of the Roman Empire. The Romans were the greatest plagiarizers' in human history. When they came across a good idea, application (template), system they copied (absorbed) it. Then they tried to make it more successful. They did this with administration, architecture, education, laws, military, religion & science.

Romans turned the Mediterranean Sea into a Roman back-water. The slaves produced the wealth & the military secured & expanded the Empire. Money-lending & litigation became major routes to enrichment & influence in the Empire. The undermining of Roman authority by Christian Zealots & Germanic hordes force a splitting of the Roman Empire!

Group of 13 1st Christians !

The 'Group of 13' consisted of 1 religious Reformer (Jesus, Son of a Carpenter) & 12 picked-up Israeli & Non-Israeli followers (Disciples).

Background, location: Jesus was born & educated an Israeli who lived in Palestine a Territory occupied by Rom. The Israeli were the major ethnic group in Palestine. To keep revolts against Rom at a minimum, Rom allowed the Israeli to have a Monarch. Executive Judicial power was with the Occupiers.

Background, misconception 1: Jesus' parents Joseph & Mary traveled through Palestine not because of a Roman census but were on the run from debt-collectors. Joseph had borrowed money from a money-lender (Rabbis affiliated loan-shark) for materials for work. His Client a Roman citizen left abruptly without paying. A writer wanted to give a reason for the travel but not the real reason picked an event (Roman census) that sounded plausible (literary-freedom). Other writers just copied this fabel.

Background, misconception 2: Destitute Joseph & Mary were on the run, Joseph could not have children, being mutilated when circumcised. Mary became pregnant, to cover the Shame of Rape. 1GOD was blamed (miraculously virginal conception).

Background, misconception 3: Far-East Astronomers saw a Super Nova believed it to be a sign that an important person was born. Writers wrote 3 Kings saw a bright Star & came to see the birth of a King.

Background, Jesus: Born (birth-date unknown) in Palestine Son of a Carpenter, learned his fathers trade then joined an all HE cult near the Dead-Sea to gain moral education. The Cult taught Jesus 'Forgiveness' & Sharing' but also exposed him to homosexuality. As Senior cult members forced ever younger cult members into participating in homosexual practices, then praying for forgiveness'. Jesus left, to become a traveling preacher.

Note! Jesus like every heterosexual (normal) has an inbuilt revulsion & disgust to homosexuals (sexual disability). Jesus embraced forgiveness but in his heart he could not forgive homosexuals.

Jesus was taught by the cult to orate (public-speaking) but not to write. Anything Jesus said is lost. Writings claiming to know what Jesus said are as reliable as the 'Grimm Brothers Fairy-Tales' based on hearsay, writers interpretation & imagination. We don't really

know what Jesus said or meant. All monks, nuns, clergy & others are wasting their time & lives studying these historic fantasies.

Jesus, failed Israeli religious Reformer

Jesus was a charismatic, handsome, orator. The cult had taught him oral skills but not writing. He preached forgiveness & sharing.

His travels through Palestine made him aware of great suffering & misery of people brought on by the Rabbi & Monarchist's. He saw how credit destroyed families (reminding him of his parents).

Jesus introduced satire as social-criticism (of Rabbis & Royalist) in his speeches. The Disciples backed him up, by addressing Jesus as King, Lord, Messiah... The crowds loved it, Jesus became a Celebrity.

Monarchists' did not like Jesus the celebrity & feared the anarchistic parts of his speeches. Rabbis saw him as a disruptive fake insulting 1GOD. Monarchists & Rabbis hatched a plan to use Roman Judicial power to kill Jesus & blame Rom.

1 of the Disciples, confessed their love & affection to Jesus. Jesus felt & showed revulsion (forgiveness was not in his heart). The Disciple was shocked, hurt, dismayed, vengeance entered his mind.

The Disciple went to a Tavern. Bared to other alcoholics his pain & need for vengeance. A Monarchist offered help with vengeance.

The Disciple disclosed the whereabouts of Jesus. The Monarchist threw some coins on the table. The Disciple ordered more alcohol, sharing with his new found alcoholic friends.

Jesus was tortured & found guilty by the Israeli. The Roman Governor could not believe that the crowd (incited by Rabbis & monarchists) wanted the same punishment for preaching as for killing. He tested the crowd by promising to pardon 1. The Israeli chose a killer. The Roman Governor was disgusted. Jesus was nailed to a wooden cross.

The Dead-Sea cult had heard of Jesus' predicament, came, bribed a guard & replaced Jesus with a dead-man. Jesus wanted to say good-bye to the Disciples. His resurrection was staged to create mystery. **Jesus went back to the Dead-Sea!**

Jesus wanted to reform the Israelite. His Disciples went to the than Center of the Universe: ROM! **They went to reform the Romans. The beginning of Christianity** (Rogue-Israelites).

Christianity

With Jesus gone, 2 of his Disciples moved to Rome, establishing Christianity. They followed the Roman example of Plagiarizing. Absorbing other religious & pagan-rituals. They became the Roman Empires main religion. **The Roman Empire adoption of Christianity was the beginning of its end.**

Christianity has been is more criminal, corrupt, deceitful, immoral & violent then any other Religious grouping. Christianity has mutated into many & diverse Cults. The 2 most Evil being, Roman Catholics & Church of England!

1GOD is upset!!!

Jesus opposed: Capitalism (Parasitic Predatory Profiteering), Globalization (Jesus opposed his deciples going to Rom), Killing, Monarchy (Hereditary-tyranny), Wealth-Apartheid (private ownership). Any Christian that participates &/or supports, Capitalism, Monarchy, Globalization, Killing, Wealth-Apartheid, is Sinning being an Anti-Christ & Anti-**1GOD**. **Jesus may forgive these Christian. 1GOD does -n't forgive but holds accountable with consequences. Christianity is failing Jesus. It is failing Humankind. It is failing 1GOD! It ends.**

Christianity is failing **1GOD**! **1GOD** wants Christians to embrace the latest message, the 'Law-Giver Manifest', become Custodian Guardian. **Bringing an End to 1000's of years Evil! BE DOOD Punish Evil.**

Custodian-Guardians' offer the olive branch of non-violence, harmony & friendship to the followers of 'Christianity'.to join:

1GOD 1Faith 1Church Universe CustodianGuardians in spreading **1GOD's** latest message the '**Law-Giver Manifest**'!

NOTE! Christian clergy (Priest to Pope) are not welcome.

SHUN CHRISTIAN BROTHERS

The Congregation of Christian Brothers are an Order within the Catholic Pagan Cult originating in Ireland Europa-Province. Their original purpose was to educate youth. They developed 'ICTtm' (Irish Child-terrorizing teaching method) which spread like cancer around the world.

Endorsed by the Evil Vatican it became modus operandi for all Catholic education. Their 1st education facility opened in Waterford Ireland & their reign of child-terrorism began. Encouraged & protected by Bishops, Archbishops, Cardinals & 'Popes'.

Christian Brothers believe in Satan & Hell. They couldn't wait to go there. They created Hell on Earth for the children of our Planet. We pray to **1GOD** that they are held accountable in life & Afterlife. The Christian Brothers & Clergy (Priests to Popes), Parents, Police, Judiciary, Politicians, other,.. who protected practitioners of the 'Irish Child-terrorizing teaching-method' relive the misery & suffering of the children now & for all time. Join our prayer.

'Irish Child-terrorizing teaching-method'

Homosexual Rape, oral sex, masturbation, masturbating animals, testicle fondling, beatings, flogging, humiliating, food deprivation, hard labor, hypothermia,... Every day, every night, every week, every month every year... **HELL ON EARTH!!** Hold these immoral depra-

ved, filthy, pervert clergy, monks, teachers accountable, **MS/R7**

'Christian-Brothers Circle of Enlightenment'

Christian Brothers would form a circle in the middle a young boy with -out underpants. The boy was homosexuality raped until he bleeds from the anus. The Christian Brothers chastise the boy for making them do this. They tell the boy they are like this because **GOD** made them like this. If the boy talks back he is beaten. The Christian-Brothers are jovial & pleased.

'Christian-Brothers Guilt'

Christian Brothers not only sexually & physical assaulted the children around the world. They lied, blaming their victims, claiming victims where bad. All Christian Brothers forgave each other, protected each other, perjured themselves to Police & Judiciary. Christian-Brothers Sexual Predators moved around looking for new hunting grounds to terrorize Children. Being Catholics they claimed infallibility. They received protection from Catholic clergy (Priest to Pope) who instructed Police, Judiciary, politicians who are Catholics to ignore victims. Catholic clergy, Catholic Police Officers', Catholic Judiciary & Catholic Politicians operated as a cartell of Evil. Protecting Child abuser & victimize Victims. The Catholic Church the worlds largest Child abuse organization. The largest Evil Anti-**1GOD** organization.

'Christian-Brothers Accountability'

Never in human history has there been such continuous systematic sexual assault on children been committed worldwide. Every parent on the planet has a moral duty to demand from their government, to pursue every Christian-Brother & Catholic that protected them, prosecute **MS/R7**

Everything the Christian-Brothers own is confiscated (including personal items) without compensation. Every building used by the Christian-Brothers is a place of Evil. These places are demolished & recycled & rebuilt as Rehabilitation Compounds. Any memory of Christian-Brothers is erased.

'Irish Shame'

Irish Parents, Irish Community, Irish Police, Irish Judiciary, Irish

Politicians have all failed Irish Children & Children around the world. Let Irish know (non-violent) how disappointed you are at their lack of compassion, justice & conscience. Irish because of their irresponsible immoral criminal behavior are not acceptable to be employed anywhere in the world as police, judiciary, in education or elected to any political office.

'Catholic Shame'

Catholics embraced the 'Irish Child-terrorizing teaching method' using it in Catholic Education endorsed & promoted by the Vatican. Catholics then conspired, to hide & help Catholic Child Abusers to escape. Perjured, bullied, destroyed evidence, threatened victims all this to protect Catholic Child Abusers. Catholic Police, Judiciary &

Politicians participated in this criminal behavior by not prosecuting, covering up, destroying evidence.. This behaviour makes the Catholic Church the largest criminal organization. End this Evil, SHUN, SHAME Prosecute.

Catholics allowing their Church to create & operate the largest Child Abuse Organization in human history makes Catholics the greatest threat to the Children of the World. SHAME on Catholics. Making Catholics unfit parents.

Government that allows Catholic education. Currently Catholic education asks their abusing educators to resign. They give them a good reference & send them to Public education in another location. Government that takes resources & funds from public schools to give to Catholic education fails in their duty of care to the children they are supposed to protect. Government that fails children is unacceptable, is replaced, prosecuted, MS/R7

Catholic Parents, Community, Police, Judiciary, Politicians have all failed Catholic Children. Let Catholic know (non-violent) how disappointed you are at their lack of compassion, conscience & justice. Catholics because of their irresponsible immoral criminal behavior are not acceptable to be employed anywhere in the world as police, judiciary, in education or elected to any political office.

'How Catholic Clergy (Pope to Priest) Insult 1GOD'

The Catholic Church are the largest Anti-SHE organization. **1GOD** being both HE & SHE designed HE & SHE to be different but equal. Wanting HE & SHE to live & work as part of an equal team with different rolls.

Catholics start a week with a rest-day (Sunday) have a five day work-week & 1 day shopping. **1GOD** has a 6 day workweek on day 7 a Fun-Day. Catholics insult **1GOD** by starting the week with a rest day.

Catholics oppose mating (celibacy) multiplying starting a family. **1GOD** wants HE & SHE to enter a 'Holy Matrimony' Contract. Mate, Multiply, start a family. Celibacy is a Sin! Anti-**1GOD**!

Note! Holy Matrimony, starting a family is not acceptable to sexual disability (Child-molester, confused gender, same gender) afflicted.

Catholics sacrifice eating body & drinking blood. Body is replaced with bread & blood is replaced with Alcohol. Catholics are main cause of Alcohol Addiction & teenage binge-drinking. Every weekend (alcoholic) Christians go & commit violence (assault, kill, rape, vandalize..). Christian X-mas is the most violent time of the year. **1GOD** does not want sacrifice, alcohol or violence.

'Catholic Parents'

Catholic Parents have & are being deceived, mislead & betrayed by Catholic clergy (Priest to Pope). Catholic clergy by design oppose Family (marriage, children). Making them unsuitable to give marital or parental advice & guidance. Making them also unsuitable to teach or be with children, teenagers,.. Because Catholic clergy believe in Catholic infallibility they deceive & mislead parents about their immorality & criminality. Catholic clergy are the least suitable to ask for any advise.

Moral, caring parents should leave Catholic-Education & Catholic Church for their children security. These parents will be welcomed by 'Custodian-Guardian's. This Welcome doesn't apply to Christian-Brothers nor Catholic clergy (Priest to Pope).

1GOD 1FAITH 1Church Universe Custodian-Guardians support HE & SHE being equal but different. HE & SHE enter a 'Holy Matrimony' Contract, have Children starting a family. Parents, Children, medics & educators participate in non-elitist free community-education & free health-care (SmeC, PHeC).

Children are our future

Children are our immortality

Children deserve to be cared for,
protected & loved

Universe Custodian Guardians are the future,

P E A C E P R I Z E (Nobel)

2009 Nobel Peace Prize:
Anti-Peace Anti-1GOD Criminal !
Barack H.Obama

According to 'Nobel's (a Parasitic, Predatory, Profiteer) Will', the Peace Prize shall be awarded to the person who ... shall have done the most or the best work for fraternity between nations, for the abolition or reduction of standing armies & for the holding & promotion of peace congress. The will specified that the prize be awarded by a committee of 5 people chosen by the Norwegian Parliament.

The Chairman of the Norwegian Nobel Committee presents the Nobel Peace Prize in the presence of the King of Norway (Hereditary Tyrant

) on 10 December (Pagan Calendar) each year. The Peace Prize laureate receives a diploma, a medal & a document confirming the prize amount. The Peace Prize Ceremony is held at the Oslo City Hall. The Nobel Peace Prize 2009 was awarded to Barack H. Obama "for his extraordinary efforts to strengthen international diplomacy & cooperation between peoples".

Obama (Assassin, invader, occupier warlord, worlds leading terrorist) the most active terrorist sends his 'CIA-Drones' to terrorize, hurt & kill civilians (children, mothers, fathers & elderly) in 'Afghanistan, Pakistan, Somalia, Iraq, Libya, Yemen,.. He send Ethiopian &

Kenyan troops to invade Somalia. The CIA is terrorizing the civilians & inciting unrest. Started Syrian Civil-war trying to overthrow elected Government,...**Note!** Using Drones is an act of war.

Obama supports Israel's war-crimes, assassinations, genocide of Palestinians. He supports Saudi Arabian assassinations, war-crimes, genocide of Yemini,... The CIA is terrorizing civilians & inciting unrest around the world.. Obama calls his US Special-Forces Assassins "Heroes". Assassin's are psychotic cowardly Killers

(shooting unarmed women..) that need prosecuting as does 'Obama'.

Universe Custodian Guardians find Obama an Assassin unfit to receive a piece prize. UCG contacted the Piece Prize Committee to reconsider, they ignored us. Obama received & accepted the Piece Prize. Obama by accepting showed his falseness, a man without conscience who needs prosecuting.

Universe Custodian Guardians prayed to **1GOD**. To intervene & show the Norwegian Government & Obama & his Assassins the error of their ways. **1GOD** started with Norway.

1GOD noticed a Norwegian fanatic attacking the Norwegian Government. The fanatic bungled it. **1GOD** guided the criminal to a Government sponsored Youth-camp. The criminal became an Assassin.

1GOD showed the Norwegian Government & people how the people of Afghanistan, Iraq, Libya, Pakistan, Somalia & Yemen feel like when Obama's Assassins strike.

The Norwegians are to end the con, hoax & misleading 'Peace-Prize'. They are to revoke 'Obama's Peace Prize'. Obama & the Norwegian Government are to use the Peace-Prize money to help 'Obama's Victims' unarmed civilians (unborn, children, mothers, fathers, seniors...).

The Norwegian Government & Head of State are unfit to govern & need replacing. Insulting 'Peace' is insulting **1GOD**. People are responsible for their Government's actions & have a duty to replace immoral government. The Norwegian people have a moral duty here.

Universe Custodian Guardians declare:
Barack Obama "Year 2012 - 2014" most Evil man !!!

The **New-Age** is evolving

Planet Earth **1GOD's** favorite Creation has been ravaged by human environmental-vandalism, pollution, greed, corruption, cults, immorality & Evil. **1GOD** will clean Planet Earth using natural forces as tools. Cleansing began at '0.1.1.1'* (2004)

Life on Planet Earth as we know it will cease. Life on Earth will be totally different. The '**Law-Giver Manifest**' will be our Guide.

Since year 0 (2004) the melting of Glaciers, Northern & Southern Poles Ice is speeding up. This will lead (eventually) to huge chunks of Ice to break loose. Drift away on both Poles unbalancing Planet Earth. This

will make the planet wobble severely over a period. Resulting in sharp movement & realignment of Earth's North South Pole Axis. The Axis will settle in a different configuration there will be new Poles.

The sharp realignment of the Axis leads to a short-term gravity change for Planet Earth, resulting in a new orbit of the Moon. Satellites & the Space-station will alter their orbits. Ocean currents will change. Weather will change to more x-trme.

The Earth-Plates will move. Earthquakes will create tidal waves & make Volcanoes erupt. Low-lying Coastal areas will be covered by the Sea.

After: Life-forms will disappear. Eventually mutated evolutionary new life-forms will appear. Humankind will be reduced by 1/3 !

Human created Nuclear-Power Stations will leak poisoning air, soil &

water. Toxic-Dumps will leak poisoning soil, water & air. Bridges, tall buildings will collapse. Ruptured Gas pipelines will start fires. Oilrigs will pollute the Oceans. Leaking Oil-storage & pipelines will pollute soil & water or burn polluting air. Dams will break & flood surrounding areas. Tunnels near water will flood.

The destroyed infra-structure & pollution will lead to food & water shortage. Civilizations will disintegrate resulting in looting, raping, brutalization & killing. Financial-Markets will collapse & Capitalism will go bankrupt.

The worlds' oldest & most Evil Terrorist's (Israeli) will be held accountable. Israeli will only live in the promised land nowhere else in the physical Universe. Christianity in general & English speaking Christians in particular will suffer the most. Also countries that embrace English Christian Culture & Capitalism will also suffer. Christianity (false Messiah cult) will be reduced to insignificant pagan cults.

Light of the Desert cult (Islam) will fade into the dust of history. The multiple-idols cult (Hinduism) will be seen as not suitable for the New-Age. The non-religion (Buddhism) will fade away.

1GOD 1FAITH 1Church Universe Custodian Guardians will be the only Religion everything else are insignificant cults. Individualism is out. Private-Ownership ends. Community-ownership & living will be the new normal. Survivors of the cleansing of Earth by **1GOD** will have, 'The **Law-Giver Manifest**' as guide.
