Missionary Moments

WEEK OF OCTOBER 23, 2016

Morning: A Treasure Trove of Peoples

[Central Asia] When DENVER and TRISH EWING* were forced to leave the Central Asian country where they had served for 10 years, they didn't fully realize their new home—an energetic metropolis—would be a treasure trove of peoples from all corners of Central Asia. Settling into their brand-new life and work, the Ewings discovered Muslim men and women from all over Central Asia working in the megacity of 15 million. Thank you for giving through the Cooperative Program, which supports the Ewing's work. They are realizing many new opportunities to share the hope of Christ among Central Asians.

Evening: Reaping the Ripe Harvest

[California] KIRK OVERSTREET, in his role as a church planting catalyst, works with church planters trying to start churches and share the gospel in an area that is home to 7.1 million people in the 86 cities of the Inland Empire and Orange County associations. Riverside and San Bernardino counties are the largest in the U.S. A recent study showed that another 1.6 million people will be moving into Inland Empire by 2016. Though there has been a jump in numbers of interested church planters, clearly the need for more is great. Your gifts through the Cooperative Program can help reap this ripe harvest. Pray for more church planters and more partnering individuals and churches.
