Dr. Feelgood

A sexy, masculine, animalistic aroma. Fresh florals of water lily, tea rose, and jasmine come together with woods and musk notes to make this scent a truly sensual blend.

Eucalyptus

Fresh picked eucalyptus leaves with hints of lime. This fragrance has a high essential oil content which allows the smell to be stronger and more authentic than other fragrances on the market.

Lavender Luxury

A lavender lover's dream! A tranquil combination of fresh herbs and cool camphor. We begin with top notes of Italian bergamot, eucalyptus leaves, citrus zest, and French lavender; with middle notes of lily of the valley, and clary sage; sitting on base notes of Nordic pine, cool camphor, and clove buds.

Green Tea & Lemongrass

This bright and natural smelling citrus begins with a top note of orange Valencia, bergamot tea and plum wine. The heart combines jasmine, violet, lavender and orange flowers. The dry down is a clean citrus musk.

Orange Clove

Wonderful aroma of fresh orange slices with hints of nutmeg, cinnamon and cloves.

Peppermint & Eucalyptus

Invigorating blend with peppermint, patchouli, cedar wood and Eucalyptus.

Rosemary

Rosemary has been used for mood enhancement by practitioners of aromatherapy for centuries. Its herbal fragrance is very strong in soy wax.

Bergamot

Crisp, clean and juicy with a subtle floralcy; the citrus jewel of the Mediterranean (bergamot essential oil) is uplifting and bright.
