RE: Brian Gurl and "Manilow, Joel & The Beatles – Rediscovered."

Ladies and Gentlemen:

We are a law firm located in Holland, Michigan, and are a sponsor of the Holland Tulip Time Festival. The Holland Tulip Time Festival is featured in the book "Amazing Places to Go in North America," has been named one of the "Top 100 Events in North America," is recognized as one of the top 10 largest festivals in the country, and received the "Readers Choice Award for Excellence" from Leisure Group Travel.

This year, we had the extreme pleasure of sponsoring Brian Gurl, and his show "Manilow, Joel & The Beatles – Rediscovered." Brian and his band delivered a performance that was unbelievably spectacular. Brian's energy and enthusiasm was unmatched. His knowledge of the music was unparalleled. The creativity he injected into the music made the music even better than the original composition. Truly magnificent! The "Champagne and Ivories" private concert that Brian and Katherine perform was something that I will never forget.

This show appeals to both baby boomers and retirees. Our forty guests represented a wide range of music fans and age groups. All of them thanked me over and over again for inviting them to this concert.

I wholeheartedly recommend this performance as an unforgettable event. I can hardly wait until Brian and his band come to an arena close to us for another awesome show.

Very truly yours,

MARK H. ZIETLOW & ASSOCIATES, PLC
