Here is the link--it has been extended now 3 times, running through Sept. 8 in case anyone else is close by the Big Apple!

## ADOPT A HIGHWAY

On July 21 we accomplished a highway clean up of our section of US Highway 1. Our cleanup crew (Liz Levi, Jacob Warren, Dave Arnold) met at Baby's coffee. We split up heading out so we could cover both directions at the same time. We met back at Baby's Coffee with our black bags full of trash and white bags full of recycle. The three of us collected 38 lbs of trash and 18 lbs of recycle.

We received a payment for our efforts. However, the one dollar bill has been reduced around the edge – eaten by inflation? The coin is 10 cents in Barbie currency.

We also found here in the Keys there are Large Keys and Small Keys. We found some Small Keys.

Anyone need a left handed glove?

We were hungry and thirsty after walking up and down the edge of the highway. So we had to go into Baby's Coffee for pastries and drinks.

With the fun we had this time helping our community we're looking forward to the next Adopt -A- Highway cleanup event.

We welcome diversity of race, color, ethnicity, national origin, culture, citizenship status, sexual orientation, sex, gender identity, gender expression, family status, religious background, socioeconomic status, education, political perspective, age, and abilities.
