

Co-founders Dr. Nora Lozano (Executive Director) and Patty Villarreal, LMSW (Development Director) are joined by a distinguished group of women who serve as LLI faculty and board of directors.

These accomplished women leaders represent diverse fields of expertise.

Their knowledge and experience enriches the lives of LLI participants by empowering them in their personal leadership journeys.

## Certificate in Latina Leadership Studies

The Latina Leadership Institute offers intensive training, exclusively for women, designed to strengthen interpersonal, professional and leadership skills.

Participants receive instruction from accomplished leaders whose knowledge and expertise help equip emergent and established women leaders to face the challenges of leadership.

The LLI curriculum and topics enable women to fully concentrate on spiritual, personal and professional growth.

This program encourages women to form and nurture relationships that provide support networks in their respective ministries/professions.
