4. Once I receive your registration we will add you to our roster.

You have until the May 1st to get your registration in before I open it to the rest of the studio!

This is a first come first serve basis – because of our number requirement we may not have space available in all classes in that case dancers will be given a second choice if there are spaces left.

Once you are registered we will send you a waiver link to look over and sign with our guidelines. All dancers must have a signed waiver in order to attend classes.
