

# Mt Lassen JFO 2021

**Mt. Lassen Journey Farthest Out** is part of an ecumenical Christian movement birthed in 1930 by the visionary Dr. Glenn Clark. It is a time set apart for spiritual growth as we open our lives to God

physically, mentally, emotionally, and spiritually. We have a vision that our camp is a place where all people are accepted with the unconditional love that Jesus shares.

Mt. Lassen JFO is designed for people of all ages. We share our time and faith through the generations. A planned program is provided for toddlers through High School. Young Adults meet with their leader each evening for fellowship and fun.

## **Everyone is invited to share their journey!**

First time and returning campers are all welcome. Sharing the camp experience can build new facets to relationships and be rewarding for everyone. For more brochures, go to our website [lassenjfo.com](http://lassenjfo.com) or contact our registrar, Jean Reynolds, at [lassenjfo@gmail.com](mailto:lassenjfo@gmail.com) or phone at (510) 734-3942.

## **Scholarships and Work Camperships**

Lassen Camp is happy to provide some partial to full scholarships with priority given to first-time campers. There are a few work camperships available to those willing to work in the dining room daily. Applicants must be 18 years or older and have attended one camp full time.

## Speaking Leaders

### **Francesca Fillmore**

Francesca lives on a small coffee and fruit farm on the big island of Hawaii with her family. She is a mother of four, wife and

part-time high school teacher in an English Language Learner program. She and her children attended their first JFO camp at Mt. Lassen in 2010. She says, "JFO has been a treasure to our family for many years. I am delighted to return and share my spiritual journey. It's a hero's tale of faith overcoming fear. My successes bear little evidence that can be seen but for the light in my eye and love in my smile."

### **Jay Kerr**

Jay has been influenced in immeasurable ways by the writings of Glenn Clark and the experience of Camps Farthest Out. A camper at

Winni JFO in New Hampshire for 35 years, Jay will tell how those experiences have expanded his vision, built a foundation of visceral prayer in his life and shaped his contributions as husband, father, scoutmaster, volunteer emergency medical technician and network engineer. He will share stories of success and failure on the path to "Rejoice always, pray without ceasing, and give thanks in all circumstances."

**Parents and Sponsors** are responsible for their children for the entire camp program. We encourage full participation in each aspect of the camp day for all campers.
