WELCOME TO  
PLUMAS SIERRA CATTLEWOMEN

This organization of women from Plumas Sierra Counties is an affiliate of the California Cattlewomen. The purpose of Plumas Sierra Cattlewomen is to promote the welfare of the livestock industry and to stimulate the growth of agriculture and allied fields in these counties. The membership is open to all women who are interested in the welfare of the cattle industry and in the promotion of agriculture in education. Members do not need to own cattle or be affiliated with the industry in any way. The specific goals of our organization are to raise funds for college scholarships for local students and to promote agriculture in the classroom and the marketing of beef in this area.

Our meetings are the third Tuesday of each month with lunch at noon and the meeting to follow at 1:00pm at various ranches and restaurants.

Thank you for your interest in joining Plumas Sierra Cattlewomen.
