

## Dairies

**Notes:** Some of those listed as dairyman etc may have been workers not the location of the dairy  
Where listed by surname there is no implication that where more than one name is listed that there is any relationship  
Where the ownership changes this does not necessarily mean a succession of the business it could just be premises used for same function

### Abraham(s)

1887	6 All Saints Street, F Abrahams, Dairyman	166
