Child Welfare is any activity or project that benefits Only children. There are so many things that we as AMVES Ladies Auxiliary can do to help the children of our communities.

Here are some ideas for some Child Welfare projects that you can do.

**Assist underprivileged children with:**

**Sponsor a holiday party for the community children**

**Assist the AMVETS in its AADDAA program for Kindergarten through 12<sup>th</sup> grade by addressing substance abuse in schools. Assist with the AADDAA poster contest.**
