Budget for this next year poses some challenges. Current budget is assuming either funds are not going to be spent on certain events but also that those fundraiser events will not bring in the usual amount. The majority of the budget from this year will need to last for next year too. Online Auction will be held in November 2020. Amy moved to approve the budget and Emma 2nded.

Photo books will continue with the help from Emma. Reservations for those books to be made in the next couple weeks via PayPal or Venmo to PTA.

Classes will be able to vote on “Themes” for their photobooks.

Garden still need volunteers and there is a like to the sign-up genius on the website. YouTube garden video with Mr. Taylor can tell you all about it 😊

Library is being mandated to have lock box for book drop off (\$240.00). OBOB still going on.

Spirit Week next month is the week leading up to the Auction.

*November 3rd is the next PTA meeting.
