

BIRTH AND BAPTISMAL RECORDS OF OUR LADY OF THE GULF CATHOLIC CHURCH
(also includes 3 burial records and 1 marriage)

Most of these records are for residents of Calhoun County, however, there are a few people living in Matagorda and Jackson Counties. They were taken from a film on loan from the L. D. S. Library of Salt Lake City, Utah. The records are hard to read - some written in Spanish and/or Latin. I am sure there are mistakes but they are valuable because this may be the only record of the maiden name of a mother. Read and copied by Margaret Johnson.
