

BIOSECURITY FORM

ONE DOCUMENT PER HORSE

Protecting the health of your horse and all horses in our entire equine community is of the utmost importance. It is a condition of entry into the horse show grounds that the following documentation is presented for every horse.

HORSE'S NAME on ENTRY: _____

OWNER NAME: _____

TRAINER/RESPONSIBLE PERSON: _____

1) VACCINATION RECORDS

In compliance with USEF Rules: GR845 Equine Vaccination Rule:

1. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.
5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.

2) NEGATIVE COGGINS TEST REPORT - within one year of first day of show

3) HORSE HEALTH DECLARATION

I declare that the horse named above is in good health, with body temperature below 102°F, is eating normally and has shown no signs of infectious disease for the three (3) days preceding arrival at this event. I further declare that my horse has not been stabled with or been in contact with any horse showing any signs of contagious infection or illness for 21 days prior to this event. By signing below I affirm that I am the owner of the horse presented here, and/or I have the authority to sign on behalf of the owner.
