Serving Perry County

Located in Green Park, Stone House Farm & Inn is 12-acre farm with converted stone tannery and barn built in 1813. The Stone House and surrounding property with its woods, pasture, creek and pond is an ideal location to learn a variety of agri-industry skills. We teach agriculture jobs involving farm maintenance, livestock, gardening, gift shops, cooking, hospitality, event staffing and domestics. Skills learned here can lead to work in: hotel/motel, gardening, gift shops, pet and feed stores, farming, and related employment areas.

The Stone House Farm & Inn provides a genuine farm stay experience. Our historic barn and Inn offer the perfect setting for weddings, parties, or business retreats.
