WELCOME

The Raymond Sutton family extends a warm welcome to you for our 68th annual Quarter Horse production sale. We believe it is the oldest Quarter Horse production sale in the world.

We are a working ranch that raises horses, cattle and bison. Yearly income is from our livestock and we take our breeding programs very seriously. Our family has been raising superior quality horses and cattle for over a century. In 2001, we joined the elite list of the first 48 breeders to receive the AQHA Legacy Award for 50 continuous years of raising Quarter Horses. This year we will register our 2921th foal. During the ninety odd years we have been in the registered livestock business, our programs have had constant breed improvement as their foremost goal. It is our philosophy that a controlled bloodline-breeding program makes dominant breeders with distinctive carry-on breeding ability. Although we have outcrosses, our program has maintained good, solid foundation lines that have that carry-on ability.

When someone mentions a Sutton bred horse, the bloodlines have proven themselves over and over. We are very proud that our select band of mares and stallion battery are among the top in the nation. CD Cut the Lights was 7th in AQHA Year-end standings for All Age Stallions in tie-down roping. The World Champion Palomino Youth 14-18 Barrel Horse

and the PRCA Barrel Horse of the Year were both purchased as weanlings in our sale. Solid Gold Edition tied for 5th in year-end standings for AQHA Senior Stallions. The produce of Miss Winning Gal was first in AQHA Produce of Dam. Bill's Rock tied for 1st in AQHA Get-of-Sire standings for 2 years; Barnone Impressive was 3rd. Patty Punk tied for 1st in AQHA Produce of Dam and Peggy Note was 1st. Our breeding program is not a fluke but something developed over years of careful matings and constant scrutiny.

Our goal is horses with superior dispositions, intelligence, conformation, and ability. We strive to produce horses that excel in looks and can perform in a number of disciplines. In 2017 the ranch had horses qualified for the World Show in Heeling, Calf Roping, Amateur Cutting, Junior Working Cowhorse, and Ranch Riding. This year we have horses that qualified for the AQHA Versatility Finals, Level 1 boxing, Aged Stallions at the Select, Open, and Amateur World.

Foals run in hundreds of acres on our river pastures until the sale. They are strong, fit, and agile. The natural conditions allow the foals to develop bone structure, heart and lungs, and the muscular system. Research shows that the broader and more varied the types of exercise the young horse receives, the more overall body strength and soundness the foal develops. The large pastures give the developing foals physical and mental experiences that develop overall body strength and athletic ability.

This can greatly increase the young horse's chances of long term superior performance.

Our stallion battery and mare band carry some of the best foundation and modern breeding to be found. The offspring are equally at home in the show ring or rodeo arena, doing ranch work, or as a family friend. They don't have to be bucked out or ridden miles before they become dependable! The number of customers that return year after year to buy our horses is testimony to the success of our breeding program. It is not unusual for a customer to call wanting foals to replace horses gotten from us that are getting a little aged. The horses will be on display for you Saturday afternoon and Sunday morning. This will give you plenty of time to look over anything you might be interested in. Before sale day if you wish to stop by the ranch and look over the offering let us know when you are coming, we are always happy to have you see our herds.

In the many years we have been raising livestock, we have gained a respected reputation for fair dealing and standing behind what we sell. We value the trust people like you have in us and will continue to serve you as best we can.

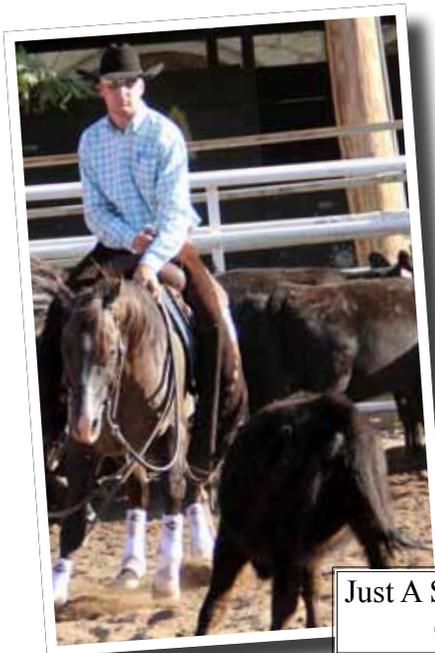

**We look forward to hosting you at our 68th annual sale!

This young man should be a working horse deluxe or a tough competitor in the arena. His dam's ¾ brothers both were over 16 hands. We showed a number of "Diamond's" brothers. Hillbilly Rock and Rocks Diamond Cutter did well with limited showing. RWS Cherokee Rock was just a few points from his amateur championship with 23 halter, 13 grands, 11 reserves, 26 performance and 2 ROMS as well as having open points. A full brother to "Diamond" stood at stud in Nebraska and did well in cutting. Miss Diamond Rapid had the genetics of Rapid Bar AAA+ and Miss Kee Cat AA. Enough said!

She was a consistent winner in local shows and earned many purples at the State 4-H Horse Show in showmanship and stock seat equitation. She was a babysitter for children who had limited contact with horses but came to life in the show ring. A severe knee injury ended her career. She has some of our best breeding ... her great grandam, Tru Sis, was one of the foundation mares of our program. She came to the ranch in 1951 and put her stamp on the ranch with a produce that earned AQHA honors and went on to produce many more award winners. This is her first foal and what a sweetie. She may be smaller than some of the other foals but given time she will catch up. If you want something that will be dependable and friendly this is the one.

It is interesting to watch 204 as she evaluates situations. She is one smart horse and you can see the wheels turning in her head. We have a daughter in the broodmare band and she is an eye catcher. REFERENCE GRANDSIRE'S OWNED BY THE RANCH

BILL'S ROCK

Bill's Rock had a profound influence on our breeding program for 25 years. It is due to his success as a sire that we are able to offer foals from the largest band of Cutter Bill grand-daughters in the nation.

"Bill" was a superior halter horse with 20 Grands and 15 Reserves and would have been an AQHA Champion if an injury had not ended his competitive years. He was a sire of uniform quality as can be attested to by his being first in the nation in AQHA Get-of-Sire two years accumulating 45 points and was first in the SDQHA Get-of-Sire for 9 years. He sired AQHA and AYQHA Champions, Superior and ROMs, race point earners and World Show Finalists.

His get follow the success of their

grandsire, AQHA Champion and Superior Cutting Horse - Cutter Bill. Cutter Bill was AQHA High-Point Junior Cutting Horse, two time NCHA World Champion, Reserve World Champion. He set an all-time record for the most money earned in one year by a cutting horse. His final year of competition he won the Washington International Horse Show, The San Francisco Cowpalace, and the Las Vegas Open. Because of his cutting success he became known as the premiere cowhorse sire but his get excelled in many events. They were AQHA Champions, Superior Cutting and Halter Horses, and even AQHA year-end high point pleasures horses.

He is the sire of Legendary Rock and Snap Crackle N Rock and the grandsire of Solid Gold Edition and RWS Sokota Joe.

BARNONE IMPRESSIVE

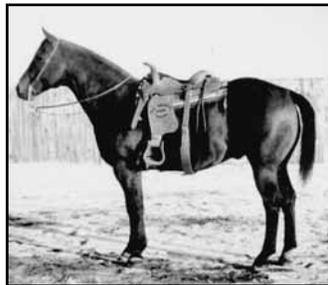

Barnone Impressive is the sire of June Holeman's Sparky Impression the 2005 PRCA Barrel Horse of the Year and a Wrangler Tour Champion. He is also the grandsire of Katie Arnold's Solid Gold Sonora the 2005 World Champion Palomino Youth Barrel Horse and two time Reserve World Champion. He also sired The Traffic Cop and Impressive Muscles. Both these geldings were year-end high point horses in South Dakota High School and South Dakota Rodeo Association calf and steer roping. He was a consistent sire of uniform quality; siring the AQHA High Point Produce of Dam horses and was 3rd in the nation in Get-of-Sire. His get we showed garnered 45 year-end high point and reserve titles in the SDQHA and the CONQHA.

The breeding of this stallion is second to none. His sire Impressive set records in AQHA for both halter and performance with a get that have earned over 21,700 points. He is the sire of AQHA Champions, superior halter and performance, and race ROMs.

Sure Class was AAA and produced ROMs. Her sire, Mr Barnone was AAA+ World Champion Running Horse as well as being a leading sire of AQHA Champions and numerous race ROMs. Sure Susie's produce has race ROMs.

He is the sire of High Impression and the grandsire of Legendary Rock.

BAY PUNK

Bay Punk was a horse before his time. When we showed him he was bigger and longer than most of the horses he competed against. People said he was too big to do much. However, he was one of the most outstanding performance horses the state of South Dakota ever had. He was the first horse honored by earning the title of All-Around Horse in the SDQHA. He earned the title by being High Point Reining, Calf Roping, Novice Cutting and Reserve Open Cutting and Halter Horse. Few horses can claim to be this versatile. He sired AQHA Superiors, World finalists, ROMs. Where he is most outstanding is through the produce of his daughters.

He was the son of the immortal Scooter S and carried Silver King, Midnight, and Old Joe Bailey Blood. Scooter S was a leading sire of show ROMs and Maternal Grandsires of AQHA Champions. He sired Superior Cutting, Barrel Racing, Reining, Calf Roping and Halter Horses, World Champion and High Point Horses as well as numerous AQHA Champions.

High Impression was a grandson who had a very limited show career due to an injury but was first in AQHA Produce of Dam. His half brother, Tuff Rock, had halter, performance, and year-end-award honors. RWS Sokota Joe is a great-grandson.

RAPID D OR

Rapid D Or started his show career in the right way by being Grand Champion Stallion at the National Western in Denver. He went on to be Reserve Champion at the Sun Circuit in Arizona and the Circuit of Champions in Kansas. Before an injury as a 4-year-old ended his career he also was high point stallion in both the South Dakota Quarter Horse Association and the South Dakota Palomino Breeders Association as well as qualifying for the World Show. He had 34 halter points, 27 firsts, 8 Grands and 9 Reserves in AQHA and 17 PHBA points in halter and color classes.

His get racked up AQHA halter and performance points. However they really

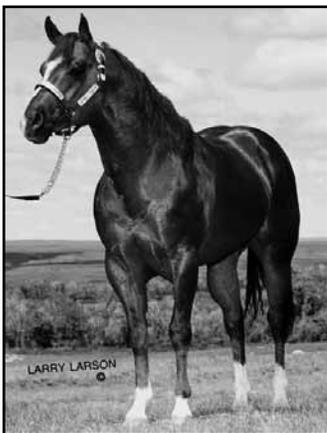

shined in Palomino competition. Victor D Or was High Point Junior Barrel Horse in the Nation and ROM in 8 events. Shi Rapid has been World Champion Palomino Youth Pole Horse 3 times. His get have over 500 PHBA points. Solid Gold Sonora, the 2005 World Champion PHBA Youth Barrel Horse and two time Reserve World Champion traces her genetics back to Rapid.

Rapid D Or's full brother, Rapid Andrew, is one of only a handful of AYQHA Supreme Champions. Their sire was Rapid Bar AAA+, an AQHA Champion and the sire of AQHA performance, race, and halter point earners. Their dam, Robin D'Or was a granddaughter of San Siemon (grandsire of Leo San).

A gelding out of the Rapid D Or and a Bay

Punk mare was purchased as a weanling and resold as a 5 year-old. Within 3 weeks of his purchase he had won over \$10,000 at 3 team ropings. Rapid D Or is the grandsire of Solid Gold Edition.

RWS SOKOTA JOE

"Joe" carried some of the best of our the foundation genetics. His pedigree of Bay Punk (first SDQHA All-around Horse), Pokey Dun (son of Pretty Boy), and Sorrel Spark (granddam of 2 AQHA High point year-end horses plus PRCA Barrel Horse of the Year) showcased some of the best of our 60 years of selective breeding. He was as old foundation as you could find: 4x

Harmon Baker, Old Sorrel, Bar Tonto, San Siemon, Question Mark, Scooter S, Poco Bueno, Yellow Wasp, and Tommy Clegg.

We only showed "Joe" one season and he was Reserve High Point Open and Amateur Stallion in the SDQHA. He followed in the hoofprints of his sire and dam who were both SDQHA high point horses too.

MR HOLLIDAY PEP

Mr Holliday Pep was bred on the King Ranch. He stood 15-2 with a huge hip and forearm.

AQHA Hall of Fame Horseman, Matlock Rose, said "The horses with Leo San blood are natural born cow horses. They want to work." The get of Mr Holliday Pep prove that. A son was the high point team

penning horse in North Dakota. The fillies we showed were quick learners with calm dispositions and able to turn on a dime. His two sons with get in this sale prove the potent genetics that he carried. Look at the notes on A San Peppy Legend for more information on Mr Holliday Pep.

DANIEL J BEE

Daniel J Bee was 100% foundation top and bottom. He was a handsome stallion standing 15-3 and bearing a strong resemblance to Jackie Bee. The infusion of Daniel's genetics with our other bloodlines produces the pretty all-around horses we believe in.

His sire Jackie Bee is an AQHA Hall of Fame Horse. He made an impact on the Quarter

Horse industry by siring a get that was pretty to look at and multi-talented. HE sired 5 World Champions, 7 AQHA Champions, 4 Superior Western Pleasure Horses, 1 Superior Calf Horse, 1 Superior Hunter Under Saddle, 1 Superior Steer Horse, 11 Superior Halter Horses, and 49 Show ROMs. His get accumulated over 5095 AQHA points.

His sorrel overo son, RWS Sizzlin Robin, won the open Paint weanling title at the SDPHA futurity, was first in the yearling halter stallions and yearling trail in the Southeast South Dakota Horse Shows Association. TESTIMONIALS

RWS Ann Get Your Gun ... ever since I threw my leg over her and started her on barrels... I knew she had the potential to be a barrel horse. Since day one I placed in the 1D and 2D at small shows. I never thought I would be able to place 27th in the 2D out of 200+ barrel racers. It brought tears to my eyes because I always doubted that the long hours and practicing would pay off. We got it figured out and thank God we did. Thank you Heather and Georga . Your breeding program is the best! I will forever be a loyal buyer because you have such great horses.

Brenna Cleveland, Texas

I wanted to pass on to you folks that we lost our mare “Violet”/ RWS Cowlady Rock, out of Legendary Rock and Ima Cowboy Rock this week. We bought Violet and two other fillies from your sale in the year 2000 and transported them to Virginia where we still live. On the drive back to Virginia our girls gave the 3 fillies flower names, Violet, Rose and Daisy! Violet got navicular that became extreme and we had to say goodbye to her. It was difficult having raised and trained her from a baby colt. Fortunately we have a gelding that is her son. We wanted to thank you for raising such good sound horses. We would love to come again to the sale. - Steve and Patti Berryville, Virginia

Maven is super easy to work with and catches onto things quickly. We've done a lot of local showing and she's done GREAT. I plan to show for AQHA points on her next year! She's willing and wants to please. She is sweet and good with everyone and is honestly such a puppy dog. Lila and Maven - Idaho

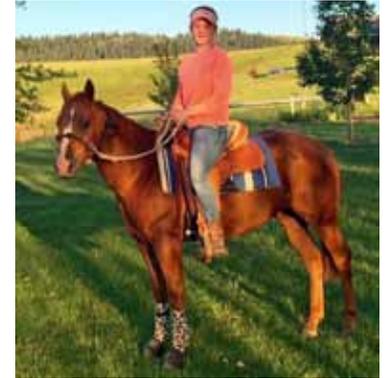

This is my sweet Sula and me. She has helped me learn so much and become a better horsewoman. She is sturdy and swift on her feet. This has truly been the experience that keeps giving. Hannah & Sula Indiana

Jacqueline and Ferris have been busy this year. They were Youth Circuit Champion in Ranch Riding at the Oregon Summer Classic show in June. They will be going to the AQHA Level 1 Championships this Fall in Las Vegas showing in rookie and level 1 ranch riding and 3 year old gelding halter. We are hoping to expand next year with reining events. Jacqueline & Ferris Oregon

RWS Dreams Come True, "Ahmyr", and I have shown all summer both English and western! At our July show we placed second in pleasure and won both horsemanship classes! On August 18, we won all of our classes AND got high point! We took 1st in junior showmanship, Open Pleasure, Junior Equitation and Junior Rail Challenge! I'm so so proud! He's such an amazing horse! He still loves trail rides. I'm hoping to take him to a cattle clinic Molly and Ahmyr Wisconsin

Peppy is doing awesome, just as curious as always. I want to start working on trail or ranch patterns with her soon. Morgan and Peppy Idaho

We believe in horses that are beautiful in mind, body and disposition; they can be specialists, all-around performers, or just faithful friends.
