

**Keep Your Eyes On Me**  
**By: Tim McGraw and Faith Hill**

Ain't it just like a tear,  
To go and blur out everything  
Ain't just like glass,  
To fall and break so easily

Ain't it just like love  
To leave a mark on the skin and underneath  
Yeah, when the pain goes and shadows everything

**Chorus:** Keep your eyes on me  
Keep your eyes on me  
When it hurts too much to see  
Keep your eyes on me

Ain't it the sinner  
Who gets all the grace sometimes  
Ain't it the saint  
Who picks up the pieces left behind  
Yeah, and it's human, to hurt the one  
You hurt the one you love the most  
And you can't find the sun

**Chorus:** Keep your eyes on me  
When you're lost in the dark

Keep your eyes on me  
When the light in your heart is,  
Too burned out to see  
Keep your eyes on me

You swear you're all alone sometimes  
Keep your eyes on me  
And you can't find your way home sometimes  
Keep your eyes on me

Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me  
When you're lost in the dark  
Keep your eyes on me  
When the light in your heart is  
Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me  
Keep your eyes on me
