We will have an archery seminar and demonstration this month. Gordon, Carp Jaw and Rick will be giving us some advice on how to shoot our bows and arrows. We'll have an archery trail set up for some practice. So bring your archery equipment. We also need to do some maintenance around the shoot site.

This month is nomination month for officer positions. If you don't want to be nominated, you better show up. We'll have elections in September.

I recently acquired a large amount of Mountain Man stuff and I'll be having a Mountain Man Yard Sale Saturday at the shoot site. See the flier below. So bring some money. There maybe something there that you want.
