

# Renny Peter, MD

## Residency and Internship

SUNY Stony Brook University Hospital  
Internal Medicine Residency and Internship  
Stony Brook, NY

## Medical Education

St. George's University School of Medicine  
Grenada (2006-2010)

## Undergraduate Education

SUNY Stony Brook University  
Stony Brook, NY (2001-2005)  
Bachelor of Science in Biology with  
Concentration in Genetics

## Honors and Awards

Dean's List (2007-2010)  
Iota Epsilon Alpha Medical Honor Society (2007-2010)

## Research Experience

### Abstracts Published

**"The Association of Esophageal Motility Disorders with Acid Reflux, Weakly Acid Reflux and Non-Acid Reflux"**

***Gastroenterology; 144; 2013; S501***

Principle Investigator: Gina Sam, MD/MPH

Co-Investigator: Renny Peter, MD

Department of Gastroenterology and Hepatology, Stony Brook University School of Medicine

- Research Poster presentation at Digestive Disease Week Annual Conference (5/2013)

**"The Relationship of Body Mass Index and Small Intestinal Bacterial Overgrowth Syndrome"**

***The American Journal of Gastroenterology; 107; 2012; S139***

Principal Investigator: Satish Nagula, MD

Co-Investigator: Gina Sam, MD/MPH

Department of Gastroenterology and Hepatology, Stony Brook University School of Medicine

- Research Poster presentation at American college of Gastroenterology Annual Conference (10/2012)

**“Diarrhea Due to Ileo-Colonic Leukemic Infiltration”**

***The American Journal of Gastroenterology; 105; 2010; 617***

Author: Vivek Trivedi, MD

Co-author: Renny Peter, MD

Preceptor: Vivek Gumaste, MD

Department of Gastroenterology and Hepatology, Mount Sinai School of Medicine –  
Elmhurst Hospital Center

- Clinical Vignette Poster Presented at American College of Gastroenterology Annual Conference (10/ 2010)

**“Acute Coronary Thrombosis As The Presenting Symptom In a Patient With Essential Thrombocytosis: A Case Report”**

***Journal of Hospital Medicine*** Authors: Renny Peter MD, Arun Gopal MD

Preceptor: Robert Reilly, MD

Department of Internal Medicine, Stony Brook University School of Medicine

- Clinical Vignette Abstract presented at Society for Hospital Medicine Abstract Competition (5/2013)

**Other Research**

**“Loss and Re-Evolution of Complex Life Cycles in Marsupial Tree Frogs: Does Ancestral Trait Reconstruction Mislead?”**

Author: John J. Weins, Ph.D

Data collection: Renny Peter

Department of Ecology and Evolution, SUNY Stony Brook University

- Article Published in *Evolution* (2007)
