

FVOAS Making Beds from Bags!!!

Wondering what to do with all those plastic grocery bags that seem to reproduce overnight? Fox Valley Older Adult Services (FVOAS) has found a fun and unique way to use those bags to create bed mats for the

homeless and have some old fashioned fun while doing it. Come join the volunteers the first Wednesday of each month at 9:30 a.m. at Fox Valley Community Center, 1406 Suydam Road, Sandwich. The recycled bags are folded and then made into “plarn” through an easy, fun process. The completed bed mats are then donated to various shelters. While you are at the Center helping create this meaningful item check out our other activities and programs. FVOAS serves DeKalb, Kane, Kendall and LaSalle Counties in Active Adult Activities at the Senior Center, Adult Day Service and Home Services. FVOAS offers 24/7 Private Home Services.
