

Veterans of Foreign Wars Auxiliary
Chief of Staff
April Bulletin

Greetings Members of the Auxiliary,

It's that time of year that I am asking: Are You Healthy? Are you having your meetings according to the Podium Edition of Bylaws, Ritual and Booklet of Instruction? Have you followed the R U Healthy Auxiliary To-Dos and Deadlines? Please remember that Elections are in April, Installation and the Report are due in May, your bond applications are due in July. There are other important deadlines on the list so please make sure to check everything, make a copy and send one to me, so you can receive a Healthy Auxiliary Certificate. These forms are all available on the Auxiliary Department Web-site www.wivfwaux.org Please use them as they have been updated for you. I would like to receive all the Auxiliary To-Dos and Deadlines form by April 30th to make a complete report to our National Ambassador.

I have also been informed that a few Presidents don't feel that it's important to use the Podium Edition of Bylaws, Ritual and Booklet of Instruction. My dear Auxiliary members, this is the **most important guide** you have! Please use it, to conduct a proper meeting and to follow the duties and responsibilities of your respective offices.

There are many changes that have happened in our organization and sometimes it's hard to keep up. If you are struggling with something, please call or email your District President, Dept. President Judy, or myself and we will work together to help dissolve any issues that your Auxiliary may be having. Keeping the lines of communication open are very important for the success of any Auxiliary.

It was wonderful to see so many at the Mid-Winter Conference. Let's have a good turnout for our state convention too!!!

God Bless everyone, as we continue to Fly High for our Veterans!!!!
