Dan's Cans. Dan is a young man with a disability. Despite his disability he is working. Dan collects aluminum cans, crushes them and takes them to the recycling center turning them in for cash. OIF supports Dan with a collection bin for aluminum cans. You may have seen the "garbage" can with a can size hole in the top setting halfway up our ramp to the apartment/handicap entrance. You can help Dan by putting your aluminum cans in Dan's collection barrel. More about Dan and his picture at <http://danscans.net/> Thank you for supporting Dans.

Tuesday, 5:30pm - All are welcome to join the sangha in mindfulness meditation, sitting and walking, in the tradition of Vietnamese teacher Thich Nhat Hanh.
