Art for Your Mind Why so Famous

Thursday, May 16th at 2:30 pm

Art For Your Mind is an engaging, educational, art observation experience designed to broaden the minds of its participants. Programs are for people of all backgrounds – artists and non-artists alike. The featured topic, Why So Famous?, offers a look at the work of Da Vinci, Monet, Van Gogh, Picasso, O'Keeffe, Warhol, and others.

Discover how a variety of art-works have become famous, and how their examples of innovation and technique have changed our sense of what art can be. Join local art historian Jill Sanford for an enjoyable hour of challenging yourself to see art in new ways!

This program is supported in part by a grant from the Lakeville Arts Council, a local agency which is supported by the Mass Cultural Council, a state agency.
