# Organize a Group Tour

Enrich your faith as your travel on a life changing journey that will impress on your heart the very Word of God

Our goal at Alpha 2 Omega Travel is to serve you. We offer group and individual tours of the Holy Land and other destinations for all denominations. If you are looking for a spiritual journey or educational program, group or individual tour, or if you would like to host or join a tour, we welcome the opportunity to speak with you.

As you travel with us, your biblical, historical, and cultural understanding will be transformed. We are proud to offer you the most comprehensive itineraries that will give you a profound new meaning to Scripture.

We provide licensed staff for all of our tours, and have a large selection of suppliers, offering excellent services and competitive pricing.

When you travel with us, you can relax knowing that all of the details have been arranged. You will receive personalized service each day of the scheduled tour, and prior to tour departure, you will receive all of the information you need to know in order to plan for your trip, and what you will need to know when in your country of destination. It is our goal at Alpha 2 Omega Travel to help each person experience the very best.

## Host a tour

As a group leader, you have the pleasure of gathering people who will go on your tour. Then, you serve as the spiritual leader or host for the group.

- Organize a tour for your church, study group, or any other group.
- Create an interest list.
- Set up an information meeting. This is usually done about 15-18 months in advance, with additional meetings 9-12 months in advance.
- Advertise the date for your informational meeting! Get people interested and committed to coming to that meeting.
- Follow up with those who attend your meetings or have expressed interest in joining your tour group.
- Make sure passport copies, deposits, and final payments have been submitted on time. If payments are given to you, send those payments to Alpha 2 Omega Travel.
- Hold a brief pre-departure meeting or send a letter to participants about the flight information. Make sure everyone will be at the airport at least 3 hours prior to departure.

## Alpha 2 Omega Travel will:

- Assist you in answering your questions, by holding informational meetings regarding your tour as you begin to organize your group.
- Provide you with literature, such as brochures and registration forms. We will also advertise on our website and in various venues, and provide you with videos and further information to educate, inspire, and recruit your group.
- Provide a Tour Coordinator available 24/7 throughout your tour.
- Offer competitive pricing for any size group, as well as tour host incentives.
