

**District 25 Panel 71 Accepted Recommendations
2020-2022**

As is customary at the start of each new Panel, the District has reviewed past practices and voted on those we wish to continue in addition to creating new ones. All recommendations can be altered at any point during the panel based on discussion and the changing needs of the district.

1. That District 25 continues to hold its meeting on the 1st Tuesday of every month in a predetermined location.
2. That District 25 decides all matters using Robert's Rules as a guideline, meaning all matters brought up for vote as new or old business need to have "by substantial unanimity" which means a $\frac{2}{3}$ majority whenever possible.
3. That District 25 continues the policy that only the District's officers and GSRs, or their alternates in their absence, have a "voice and a vote" at the regular business meetings.
4. That District 25 continues the policy allowing a guest, usually invited by the DCM, to speak at the meeting concerning Traditions, Concepts, or Area duties.
5. That District 25 continues to fund the DCM and ADCM for their attendance at the following functions listed on the A.A. Area Calendar: the Quarterly Area Meetings (QAM), the Eastern Pennsylvania General Service Assembly (EPGSA), the Northeast Regional Alcoholics Anonymous Service Assembly (NERAASA), and the local Mini-Assembly with the Delegates Report. If the DCM and/or ADCM cannot attend, then another district representative can take their place. Preference will be given to district officers followed by GSRs, via email, on a "first come, first served basis". Attendance at all events will be dependent on the District's finances.
6. That District 25 reimburse service representatives going to Area 59 and other functions at the mileage rate consistent with that of Area 59.
7. That District 25 reimburse service representatives going to Area 59 and other functions at the meal rate consistent with that of Area 59.
8. That District 25 continues to hold two workshops per year. One will be held independently and the second in cooperation with at least one other District. The ADCM will chair the workshop committee.
9. That District 25 continues to hold a District Inventory at the start of the second year of the Panel.
