

Why Become a Text 2 Stop It!™ Corporate School Safety Partner?

What is a Corporate School Safety Partner? It is an organization like yours that believes that corporations can play a vital role in making our schools and communities safer. They are the imagination, ingenuity, management and oh yes funding that is critical to reaching hundreds of thousands of students with the tools they need to make their schools safer.

Why Become a Corporate School Safety Partner?

“Corporate Social Responsibility is the idea that businesses should balance profit-making activities with activities that benefit society. It involves developing businesses with a positive relationship to the society in which they operate”. Investopedia

Through numerous mutually beneficial programs, we can enhance your brand and create family loyalty while simultaneously providing the support we need to reach the students and make their school safe.

Below are just some of the many areas your corporation can partner with us to help save lives:
