

Berkeley County Health Department

Travel Clinic Cost Information

Please submit insurance card (front/back), driver's license, and the subscriber's name and date of birth **before your appointment** so our clerks may have adequate time to check insurance coverage. Payment is expected in full on the day of your appointment for any vaccine not covered by insurance. For patients using credit/debit cards for transactions, a 4% service fee will be added to your original charge/fee.
