ARTISTRY ON WHEELS**

*Held in conjunction with the
Carlisle's 38th annual
Harvest of the Arts Festival*

September 28, 2019

The Meeting of the Marques Festival (affectionately known as 'The MoM') is a motoring event presented by the Susquehanna Valley Vintage Sports Car Club (SVVSCC).

Artistry on Wheels Motorshow is the 29th edition of the **Meeting of the Marques** and our 7th year of sharing West High Street with Carlisle's annual **Harvest of the Arts Festival**. Our mobile art shows one of the longest running car gatherings in Central PA. The Motorshow is open to the global sports and grand touring car community with a special emphasis toward the British vehicles that have been the cornerstone of The MoM since its 1990 inception. Your sponsorship represents over 20,000 opportunities to promote your business to the HOT Arts attendees. **For businesses that represent vehicle sales and/or restoration services that complement our sporting vehicles theme, you may reserve a display space within the Motorshow. Availability is limited.**

All Sponsors and their level of participation are recognized and promoted by:

- a full-color Festival Program that includes our sponsors, made available to all Festival participants.
- larger-format signage at the Motorshow.
- the Sponsors page at www.MeetingoftheMarques.com where the listing will remain until the following year's event.

We thank you for considering your participation and support. We strive to be a worthy promotional tool for your business and a partner for years to come.

Sincerely,
The Meeting of the Marques Festival Committee
The Susquehanna Valley Vintage Sports Car Club
