Welcome to Brown's Gymnastics

Please take the time to read the information below.

Your child will be participating in an exciting 40 min. class, once a week. We work in the areas of floor tumbling, balance beam, and mini trampoline. In all of our classes, we also mix in health, fitness, and well-being information along with some humor. We set 3 goals for our students.

1. Learn to work hard for what you want.
2. Learn to control yourself both physically and mentally.
3. Have FUN!
