Pre-Investigation Questionnaire

By taking the time to fill out the form below, you will help us create a pre-evaluation of the location and activity in question. All data is completely confidential and will never be disclosed publically without your written consent. Please respond to each question; however, if a question is too personal, skip it and go on to the next one.

Please e-mail this form back to: hemetghosthunters@gmail.com

Have you or anyone else at the location witnessed this or any other type of paranormal activity prior to being at this site; if so, who, where, and when?

What is your religious background, and what are your current beliefs on ghosts and the paranormal?

Have you or anyone else ever used an Ouija board, conducted a séance, etc. at the location? Have you or anyone else attempted communication with whatever may be at the location? If so, who, what, and when?

Have you ever had a paranormal investigation conducted at this location; if so, what was the conclusion?

Have you ever had the location cleansed/blessed by a priest, clergyperson, rabbi, priestess, shaman, medium, etc?

Is anyone seeing a mental health expert for any condition; if so, who and for what condition?

Is anyone taking prescribed medications for anxiety, depression, pain, bi-polar disorder, schizophrenia, etc?
Please list who is taking what:

Is there any illegal drug or alcohol used at the location; if so, what, how much, and by whom?

If the location in questions is a residence, how long have you lived at the location?

How many rooms are at the site?

Has there been recent remodeling; if so, what and when?

Do you know any of the past owners/tenants of the property? Do you know the location's history, or what may have been on the land prior to the property being built?

Are you aware of any tragedies, deaths, violence, or prior complaints of paranormal activity at the location?

Please describe the activity you have witnessed or currently witness at the location:

When did this activity start/how long has it been going on?

How often does the activity happen (daily, weekly, etc.)?

Does the activity occur at the same time every time, or is it random? Is the activity always the same or does it vary?

Has anyone close to you or your family passed away since or before the activity started?

Are any pets being affected; if so, in what way(s)?

How do you feel when the activity occurs? How do others feel at the location?

Does the activity frighten you or anyone else?

Has anyone been harmed by the activity?

Does anyone feel the phenomenon is threatening or harmful; if so, who and why?

Have there been any unexplained illnesses or frequent illnesses since the activity started?

If location in question is a residence, has the activity affected anyone's sleep or caused him/her nightmares?

Has anyone visiting the location had any experiences while there; if so, who, what, and when?

If you saw an apparition (figure of a person), please describe what it looked like; does it appear to be solid or translucent; male or female; young or old; what type of clothing was it wearing; did it seem to notice you; did it speak to or interact with you?

Has anyone heard unexplained voices such as whispering, yelling, speaking, crying, etc.? If so, what was heard, by whom, where, and when?

Has anyone heard unexplained sounds such as footsteps, knocks, bangs, etc.? If so, what was heard, by whom, where, and when?

Has anyone smelled any strange or unexplained smells/odors such as perfume, flowers, sulfur, ammonia, excrement, smoke, gas, etc. related to this activity? If so, please describe the smell/odor and its location.

Are there unexplained cold or hot spots at the location; if so, where?

Has anyone had the sensation of being touched, grabbed, pushed, hair pulled, etc.?

Have any objects moved by themselves or disappear only to reappear again?

Have you had any electrical problems such as appliances, lights, TV, doorbell, etc. going on and off by themselves? If so, what, where, and when?

To the best of your knowledge, did anything such as storms, fights/arguments, remodeling, cooking, etc. precede or trigger the paranormal activity?

What is your theory as to what may be going on? What theories have you discussed with others involved?

What ordinary, normal explanations (i.e. faulty wiring, loose floorboards, plumbing, house settling, etc.) have you considered?

Lastly, how did you hear about us, and what would you like to accomplish with an investigation/what are your expectations?
