

Crestwood Barracudas 2022 Season
Swim & Dive Team Parent Information Packet
Affiliation: Berks County Swimming Association ~ Pacific Division

Welcome to the Crestwood Parents Aquatic Club (P.A.C).
Please plan to attend the Parent Meeting on **Friday, June 10th at 7:00pm.**

The PAC is made up of every parent or guardian of the swim and dive team participants. The role of the PAC is to support the swimmers, divers, and team coaches in amateur competitive swimming and diving. This can only be possible with the commitment of team parents to fulfill the volunteer roles. The executive board exists to help organize the parents to fulfill those roles.

Volunteers

Swim & Dive meets would be impossible without volunteers. We will use Sign-Up Genius to facilitate the sign up and tracking of volunteer positions filled. Descriptions of the volunteer roles are included at the end of this packet. A home meet requires approximately 25 volunteers, and an away meet 12 volunteers. We ask that **each family fulfill (3) volunteer positions** throughout the swim & dive season. While needed and appreciated, food donations do not fulfill a volunteer commitment. **If you are unable to fulfill your volunteer positions, you will be charged a \$50 buyout fee per family.**

Available Volunteer Positions (choose 3x over season)

- Announcer
- Concessions 4-6, 6-8, 8-10
- Set Up

- Place Judges
- Runners
- Scorer
- Timers

Fundraising

Crestwood Swim & Dive Team typically hosts two to three swim meets and one dive meet each season. While concession stands are a large source of income for our team, we also rely on Spirit Wear sales, basket raffles, and other seasonal fundraisers to help offset the cost of coaching, BCSCA fees, and lifeguards during practice hours. Your contributions towards the success of these events are critical.

Concession Stand

Swim/dive families donate all of the food and drink items for our concession stand during home meets. While needed and appreciated, food donations do not fulfill a volunteer commitment. A food item donation list will be available in advance of the home swim/dive meet on Sign-Up Genius.

Basket Raffle

This event takes place during Crestwood Pool's Game Day festivities and is made possible with parent and area business "basket" donations. Game Day date TBD.

If a practice or meet must be canceled, you will be notified through email and on the Crestwood Swim & Dive Facebook page. Please be sure to check those places frequently, especially if we are expecting rain.

In the event a meet is postponed or paused because of inclement weather, coaches ask that members stay safe but **remain** at the location until the coach announces the meet is canceled or that it is restarting. Leaving without notifying the coach leaves the team struggling to keep all children accounted for as well as leaves the team scratching events for no-shows.

It is extremely important for parents to **notify the coaches 3 days in advance if a swimmer will miss a swim meet**. It is a time consuming and arduous task to create a swim meet roster. There are strict rules for the number of events a swimmer may enter. "Scratching" a swimmer and finding a replacement, especially if the swimmer was part of a relay, becomes a last minute scramble. In the case of a relay, the unexpected absence of a swimmer directly affects 3 other swimmers who may no longer be able to swim. Please be mindful in this regard.

Please hold any questions, concerns, or comments for the coaches until all practices have finished. The safety and well being of the swimmers depends on the coach's undivided attention.

Google forms will be used to make note of any meets or practices that will be missed due to vacation, camps, or other activities.

Diving Schedule

Optional evening practices will be held June 8 & 10 at 7:00 pm.

Practices will take place Monday-Friday. Groups will be assigned before the first practice.

Group 1 10:30am - 11:30am

Group 2 11:30am - 12:30pm

*To prevent disruptive behavior while waiting for their turn on the board, we ask that a parent or guardian stay with any diver 10 and under to supervise them in line. We appreciate your help with making practice a positive experience for all!

The Silver Meet is a championship meet for swimmers whose stroke times do not qualify for the County Meet competition. A swimmer may compete in both championships; however, a swimmer who has qualified for a county time in a given stroke may not compete in that event at the Silver Meet.

County Swimming Championship Meet - July 30 & 31 @ Green Valley The County Swimming Championship Meet is for swimmers who achieve a qualifying time for a given stroke.

Invitational Meets

Invitational meets are swim meets with many more teams and swimmers than a dual meet (a meet between two teams). These meets provide swimmers an additional opportunity to perform in a competitive environment. A swimmer can enter the stroke or relay event(s) of their choice for a small fee per event (\$3-5). Payment must be made PRIOR to the invitation entries submission and payment can be placed in the PAC dropbox located in the Pool Office. Invitational dates and details will be emailed once confirmed by BCSA.

Swim meet preparation/expectations

All swimmers are expected to arrive on time (5:15 for away swim meets and 4:45 for home meets). A swim competition usually lasts about 3.5 hours. The time may vary depending upon the size of the pool (number of lanes) and the size of the team.

Each swimmer must come prepared with swimming essentials: team shirt, swim

suit, goggles, towels, swim caps.

It is extremely important for swimmers to hydrate themselves throughout the day and during a swimming event.

Swimmers must remain in the pool until all swimmers have completed the event. In the case of a relay, this applies to the last swimmer.

All swimmers must show good sportsmanship and congratulate the swimmers in the neighboring lanes before exiting the pool.

Swimming is a social team sport. Swimmers are expected to cheer and encourage their teammates and build confidence in each other using the power of positive words.

All swimmers are expected to stay with the team throughout the entire swim meet, whether home or away. This rule is very important especially for the marshals who will line up swimmers in advance of their event. It is extremely difficult to find children who are scattered on the playground, pavilion, courts, snack bar, and otherwise engaged in other active play. Swimmers may bring a small low key activity (small game, cards, etc.) that they can use with other teammates to occupy the waiting time and conserve energy for their events.

Also, please see the attached **BCSA Code of Conduct** expected of all parents and swimmers of Crestwood Swim Team.

BCSA Code of Conduct

ATHLETE

The following Code of Conduct should be read and followed by all Berks County Swimming Association athletes:

As a member of the Berks County Swimming Association, I understand and agree to abide by this Code of Conduct at all times while I am representing my BCSA team.

I will:

1. Offer congratulations to my opponents, win or lose, and cheer on my teammates
2. Act and conduct myself with dignity while demonstrating respect for others and the property of others
3. Promote good sportsmanship while striving for positive team spirit
4. Deal justly, kindly, impartially, and honestly with all fellow team members while involved in any Berks County Swimming Association sanctioned meet or practice.

2. Possess, use, or be under the influence of alcoholic beverages, chemicals, or illegal drugs.
3. Behave in a manner that in the opinion of my coaches and the BCSA is harmful to the reputation of my pool, team, or the BCSA.

BCSA Code of Conduct for Parents

The following Code of Conduct should be read and followed by all Berks County Swimming Association parents:

As a parent of an athlete of the Berks County Swimming Association, I understand and agree to abide by this Code of Conduct at all times.

1. Practice teamwork with all parents, athletes, and coaches by demonstrating the values of honesty, caring, respect, and responsibility.
2. Allow the coaches to instruct the team and athletes at practice and meets. Rely on the coaching staff for technique and race strategy. Refrain from coaching my child or any other athlete as it puts them in a precarious situation. Address all questions regarding technique and race strategies to the coaches at a prearranged time.
3. Demonstrate good sportsmanship by conducting myself in a manner that earns the respect of my child, other athletes, parents, officials, and the coaches at the meets and practices.
4. Maintain self-control at all times. Allow athletes to perform, coaches to coach, officials to officiate, and parents to parent.
5. Understanding that criticizing, name-calling, use of abusive language or gestures directed toward the coaches, officials and/or any participating athlete or parent will not be permitted or tolerated, and that I may be asked to leave the pool area.
6. Enjoy involvement with your athlete's team by supporting the athletes, coaches, and other parents with positive communications and actions.
7. Direct all questions or concerns regarding decisions made by the meet officials to a member of your coaching staff. Parents may not address officials.

Should I conduct myself in such a way that brings discredit or discord to the Berks County Swimming Association and/or your team, I agree to voluntarily leave the pool area at any meet or practice.
